doing so the book link a generation of scholars with research that illustrates trajectories of development for ideas strategies and solutions      **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1992

*Teaching Students with Learning Problems* Cecil D. Mercer,Ann R. Mercer,1985      Child Development: An Active Learning Approach Laura E. Levine,Joyce Munsch,2010-09-16 Although the field of child and adolescent development seems to be an easy one in which to provide active learning opportunities to students few textbooks currently exist that actually do this      **Thesaurus of ERIC Descriptors** ,1974      **Child Development** Laura E. Levine,Joyce Munsch,2016-12-01 In the Third Edition of the topically organized Child Development An Active Learning Approach authors Laura E Levine and Joyce A Munsch invite students to take an active journey toward understanding the latest findings from the field of child development Using robust pedagogical tools built into the chapter narratives students are challenged to confront myths and misconceptions participate in real world activities with children and independently and utilize video resources and research tools to pursue knowledge and develop critical thinking skills on their own This new edition covers the latest findings on developmental neuroscience positive youth development the role of fathers and more with topics of diversity and culture integrated throughout More than a textbook this one of a kind resource will continue to serve students as they go on to graduate studies to work with children and adolescents professionally and to care for children of their own      **The Reading Teacher** ,1978      Creating Reading Instruction for All Children Thomas G. Gunning,1996 This book will not tell you how to teach reading Teaching reading is in large measure a matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no right answers to these questions The answers depend on your personal philosophy your interpretation of the research the level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school or school district s reading program      Reading Process and Practice Constance Weaver,1994 Updated and revised this text begins with a discussion of the reading process New to this edition are chapters on characterizing whole language principles and practices and growing into whole language teaching of writing reading literature and theme study
