those who minister to young people can best reach them **Evangelism Remixed** Dave Rahn, Terry D. Linhart, 2009-08-08

One of the primary goals of a youth ministry is to help students learn to share their faith with people in their lives. However, evangelism often proves to be one of the toughest parts of student ministry. But evangelism and teenagers don't have to be mutually exclusive terms. After two years of intense research visiting the most effective youth ministries in the country, youth ministry veterans Dave Rahn and Terry Linhart offer youth workers tools to help develop students whose faith is courageous and contagious. In this thought-provoking yet practical book, youth workers will be reminded of the importance of helping students develop to the point where they naturally influence others for Christ in their everyday lives. *Evangelism Remixed* offers principles that enable youth workers to evaluate their ministry's evangelism effectiveness and provides step-by-step tools to help them put the concepts into real-life practice, including the importance of the role of adults as mentors and incorporating prayer into the process. *Six Biblical Plays for Contemporary Audiences* Robin Gallaher Branch, 2016-06-14

Fills a need for biblically based, thoroughly researched plays for a general audience. Is fun, laugh as members of the body of Christ sing and dance their way into your church. See others and maybe yourself in the kindness of heart, the gossip of ear, the pride of head, and the independence of eye. Honors women. Let's Mary tell Joseph of the angel Gabriel's visit. Recognizes Elizabeth's importance; she tells Luke 1 from her perspective. Is funny. Human beings get in fixes and messes. Watch how God with gentleness, humor, and tough love delivers his people. Time and again encourages participation suitable for actors ages nine to ninety-nine. Fosters dialogue. Each play ends with questions for discussion. Shows theology in the making. Do theology the Godly way with boots on the ground. Consider this evangelism model: The disciples have just seen the risen Lord Jesus ascend into heaven and can't wait to tell all Jerusalem. Invites imagination. The characters in Proverbs gather in the marketplace and tell simple youth, a first-year university student about their lifestyles. Which will he follow? Promotes this concept: We all play our lives on stage to an audience of One God. **Creative Programming Ideas for Junior High**

Ministry Steve Dickie, Darrell Pearson, 1993-01-31 Gives ideas for Sunday school youth meetings, small groups, camps, retreats, and service projects. Dickie and Pearson help readers to a better understanding of children, how to handle roadblocks to creative programming, and how to tap into the reader's own creative abilities. **Developing Spiritual Growth in Junior**
