Teaching Toward Possibility Maxine Greene And The Unfinished Conversation:

Explicating Maxine Greene's Notion of Naming and Becoming: "I Am ... Not Yet" Christine Debelak Neider, 2021-09-06
This volume offers a Naming praxis with which teachers might more closely align with their ethical ideals in the midst of their daily practice and relationships with students Framed ontologically in Maxine Greene's existential phenomenological notion of Becoming the author explicates Greene's Naming as a praxis within her own early teaching experiences through the interpretive methods of currere and teacher lore This study evolves in epistolary conversation with Maxine Greene teacher colleagues and new teachers It demonstrates the possibilities of applying critical reflective and discursive dialogue to the tensions of a teacher's life of practice in order to identify the obstacles to and the opportunities of the Becoming of the teacher and the student's in the educational encounter

Complicating, Considering, and Connecting Music Education Lauren Kapalka Richerme, 2020-05-05 In Complicating Considering and Connecting Music Education Lauren Kapalka Richerme proposes a poststructuralist inspired philosophy of music education Complicating current conceptions of self other and place Richerme emphasizes the embodied emotional and social aspects of humanity She also examines intersections between local and global music making Next Richerme explores the ethical implications of considering multiple viewpoints and imagining who music makers might become Ultimately she offers that music education is good for facilitating differing connections with one's self and multiple environments Throughout the text she also integrates the writings of Gilles Deleuze and Félix Guattari with narrative philosophy and personal narratives By highlighting the processes of complicating considering and connecting Richerme challenges the standardization and career centric rationales that ground contemporary music education policy and practice to better welcome diversity

Women in Pragmatism: Past, Present and Future Núria Sara Miras Boronat, Michela Bella, 2022-07-07 This book offers a selection of the papers of the Women in Pragmatism International Conference held at the University of Barcelona in January 2020 The conference gathered women and non binary scholars from twelve different countries This was the first pragmatist conference organized entirely by women and non binary persons It has initiated a

stable network of mentoring and support analogous to other women philosophers organizations The book provides paths to reconstruct the roots of pragmatism integrating the works of women pragmatists of the past and linking them to the current developments of feminist and pragmatist topics Scholars of different countries status and backgrounds serve as a powerful example of the trend toward interdisciplinary cooperation and versatility we might expect for the future of pragmatism The book is of interest for scholars interested in both pragmatism and feminism from various perspectives ranging from psychology to semiotics logic and sociology wishing to expand their horizons and understand their relevant interactions

Contradictions of School Reform Linda McNeil, 2002-09-11 Parents and community activists around the country complain that the education system is failing our children They point to students failure to master basic skills even as standardized testing is widely employed in efforts to improve the educational system Contradictions of Reform is a provocative look into the reality for students as well as teachers of standardized testing A detailed account of how student improvement and teacher effectiveness are evaluated Contradictions of Reform argues compellingly that the preparation of students for standardized tests engenders teaching methods that vastly compromise the quality of education

foundations of education A feature of this work is the novel use of audio files aligned with the arguments within the book as well as the discussion and application of cutting edge qualitative research methods A Curriculum of Imagination in an Era of Standardization Robert Lake,2013-03-01 A Curriculum of Imagination in an Era of Standardization In A Curriculum of Imagination in an Era of Standardization An Imaginative Dialogue with Maxine Greene and Paulo Freire a volume in Landscapes of Education Series Editors William H Schubert University of Illinois at Chicago Ming Fang He Georgia Southern University Robert Lake explores with the reader what is meant by imagination in the work of Maxine Greene and Paulo Freire and their relevance in an era of increasingly standardized and highly scripted practices in the field of education The author explores how imagination permeates every aspect of life with the intent to develop capacity with the readers to look beyond the taken for granted to question the normal to develop various ways of knowing seeing feeling and to imagine and act upon possibilities for positive social and educational change The principal aspect of the work illustrated in this book that distinguishes it from other work is that an imaginary dialogue between Maxine Greene and Paulo Freire runs through the book using actual citations from their work Each chapter starts with such a dialogue interspersed with the works of others and the author s critical autobiographical reflections With a brief overview of the socio cultural evolution of imagination from pre literate times to the present the author explores some of the current iterations of imagination including the eugenics movement and dark imagination sensing gaps and creative critical imagination metaphors as the language of imagination and empathy as social imagination Reflecting upon emerging tensions challenges and possibilities curriculum workers face in such an era of standardization the author calls for a curriculum of imagination After providing a brief overview of the socio cultural evolution of imagination from pre literate times to the present the author looks at some of the current iterations of imagination including the eugenics movement and dark imagination sensing gaps and creative critical imagination metaphors as the language of the imagination and empathy as social imagination All of these ideas are then incorporated in a curriculum of imagination that is envisioned through Joseph Schwab s four commonplaces of curriculum followed by a discussion of emerging tensions issues and possibilities for praxis and scholarship in present and future inquiry Annual Meeting Program American Educational Research Association,2008 The Educator and The Ordinary Elizabeth O'Brien,2023-08-14 This book creates a unique discursive environment to consider how initial teacher education can support student teachers in practical and personal senses in what they can do and who they are What is it to care To develop our voice To educate in beautifully risky ways Engaging with the philosophy of Stanley Cavell Gert Biesta and Nel Noddings central capabilities of the educator are suggested Acknowledgement Autobiography Imagination Interruption Attention and Uncertainty culminating in the essential unifying capability of The Ordinary underpinned by Complexity and Hope This book will appeal to those interested and engaged in initial teacher education professional development and support from early years to higher education and practicing educators It aims to enrich theoretical as well as practical discussion to influence how we live how

we think and how we treat each other Teaching and Learning Victoria R. Fu, Andrew J. Stremmel, Lynn T. Hill, 2002 The Reggio Emilia approach is reintroduced in this book through rich stories and examples of children's projects that invite readers to examine their personal learning process. It offers innovative ways to meld theory with teaching and action research while considering the professional development of each reader: pre-service, in-service teacher, educator, teacher researcher. Unlike other texts on Reggio Emilia, it considers assessment, cultural diversity, and teaching issues from a U.S. perspective. The place of Reggio Emilia in the United States. Amiable communities for learning. Teacher education. Inquiry teaching and the possibilities for change. Progettazione and documentation. Learning moments among protagonists. *The Crisis of American Democracy: Essays on a Failing Institution* Leland Harper, 2022-03-15 The essays in *The Crisis of American Democracy: Essays on a Failing Institution* seek to answer central questions about American democracy such as: if American democracy is failing, what are the causes of this failure? What are the consequences? And what can be done to fix it? These standalone essays present diverse perspectives on some of the impediments to achieving a true democracy in the present-day United States of America, as well as prescriptions for overcoming these obstacles. Leading academics from across North America contribute their perspectives on this timely debate.
