## **Teaching Your Children About Sex:**

*How to Teach Your Children about Sex* Stan Berenstain, Jan Berenstain, 1984-07      *Teaching Your Children about Sex* John C. Howell, 1973-01-01      **Teaching Children about Sex: Using the Temple as Your Guide** Cherri Brooks, 2023-02-02 It's time for the talk. Teach your children the truth about sexual intimacy in a world of shifting values and ideas. With expert advice and age appropriate wording you learn how to use the temple as a beautiful analogy to discuss with your kids the sacred subject of sex. Timely and clear this book is a must read for parents, teachers and leaders.      **Talking to Your Kids About Sex** Lauri Berkenkamp, Stephen C Atkins, 2002-08-01 This commonsense practical guide to talking to children about sex provides ways to launch conversations following some of the most common kid comments and questions. What's That Thing I'm Going to Marry Mommy Sex Is When You Kiss I Don't Want to Talk About It. From teaching toddlers about body parts to important discussions with adolescents this resource encourages parents to understand what children of particular ages and developmental levels are ready to know what they should know and how to tell them. Real life questions and answers encourage parents to prepare for their talks and make discussions easier. Moreover ideas for discussing this sensitive subject with a sense of humor help take away some of the awkwardness for both children and parents.      Teaching Your Children Healthy Sexuality Jim Burns, 2008-06 Each kit contains a DVD with six sessions featuring Dr Jim Burns and a resource packed CD that includes a leader's guide, a small group participant guide, a poster and a bulletin insert. The materials all outline a practical guide for parents on how to develop in their children a healthy perspective regarding their bodies and sexuality.      *Teaching Your Child about Sex* Grace H. M.D. Ketterman, 2007-10-01 Imparting healthy attitudes and solid information about sex to children is one of the most challenging aspects of parenthood. For more than twenty five years Dr Grace H Ketterman has been helping parents give the best and most accurate information and guide their children in sexual responsibility. She gives parents the perfect words for explaining the physical, emotional and spiritual aspects of sex in age specific increments from babyhood through adolescence. This updated edition includes chapters on special issues that are a part of our social and cultural environment such as sexually transmitted diseases and homosexuality. Going way beyond the talk Dr Ketterman gives parents the tools they need to pass on a Christ centered understanding of one of God's most wonderful gifts.      The Talk Luke Gilkerson, 2014-07-28 When it comes to the matter of teaching kids about sex, Christian parents are often confused about what to say and when to say it. The Talk is a series of 7 studies all anchored in the Scriptures that helps parents to talk meaningfully with children about sexuality. The Talk was written for parents to read with children ages 6 to 10 years old. The study supplies elementary age children with foundational truths about sexuality at a level they can understand.      **Teaching Your Children Good Manners** Lauri Berkenkamp, Steven C Atkins, 2001-10-01 For parents everywhere who have had lovely family dinners ruined by misbehaving children, help is at hand. This guide provides a humorous, hands on, parent friendly approach to teaching children of all ages good manners in a wide variety of social

situations from accepting gifts graciously to which foods are OK to eat with fingers Each chapter tackles a different situation gives a brief outline of what manners are appropriate for it and offers advice on how to teach and reinforce them to children of different ages There is also a What to Expect chart broken down by age and a Q A section devoted to questions concerning children and manners "Raising Sexually Pure Kids" Claire Greslé-Favier,2009-01-01 Raising Sexually Pure Kids Sexual

Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency

**Teaching Your Children Values** Richard Eyre,Linda Eyre,2010-05-11 One of the greatest gifts you can give your children is a strong sense of personal values Helping your children develop values such as honesty self reliance and dependability is as important a part of their education as teaching them to read or how to cross the street safely The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture With their own values clearly defined your children can make their own decisions rather than imitate their friends or the latest fashions In Teaching Your Children Values Linda and Richard Eyre present a practical proven month by month program of games family ctivities and value building ecercises for kids of all ages How to Teach

Your Child about Sex Grace H. Ketterman,1981 A wholesome Christian approach to raising sexually responsible secure children **Simplify Your Life with Kids** Elaine St. James,1997-08 Simplicity expert Elaine St James author of Simplify Your Inner Life has a solution for beleaguered parents everywhere Simplify Your Life with Kids offers practical down to earth advice for the vital time demanding perplexing issues that all parents face St James explores such topics for simplifying family life as making mealtime fun stopping tantrums establishing a simple bedtime routine and more

**UNDERSTANDING HUMAN SEXUALITY** ESPHAN NG'ANG'A,2009-07-31 Though sexuality is an important subject matter that should be taught in homes and in the church it has been neglected and treated as inconsequential Young and old alike look at sex as a taboo The church and the home should be the most appropriate forums where sexuality could be openly discussed but to the contrary the message we have received from the church and the home is that sex is unholy and shouldn t be discussed These key institutions have little or nothing to discuss about sex This is especially tragic because the believers who have faith in God who created sex and established its proper parameters should be able to speak more intelligibly and confidently about sex than anyone else Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment confusion timidity or a sense that the subject of sex is either too personal or not

sufficiently spiritual for church to address publicly Mr Ng ang a has addressed this subject openly and with ardent scriptural instruction Understanding Human Sexuality is helpful to married couples and curious young people who have many questions about sex It is also an instruction manual for parents in guiding their curious children on the subject *Medical Bulletin of the European Command* ,1972 **The Facts of Life** Lenore Buth,1988 [A Parent Toolkit for Success with Children](#) T. Lee Burnham,1999-01-01 Based on the notion that parents want their children to do well in school but may not realize how much their home life influences their children academically this document comprises a test of the home learning environment for parents and a toolkit for effective parenting The test is a series of true false statements designed to identify family characteristics with regard to communication productivity nurturance and affection stable family organization and achievement by example The toolkit is presented in eight sections each including self evaluations and skill building exercises or practical suggestions for parents Section 1 of the toolkit discusses the challenges of parenting and the importance of a positive emotional climate and provides suggestions for improving parenting effectiveness Section 2 deals with communication including basic and advanced principles skill exercises and individual evaluations Section 3 addresses competition and cooperation including basic values sports coaching and how parents can enhance the development of cooperation Section 4 discusses discipline as a structure for growth responsibility as an element of discipline and discipline as a learning experience Section 5 addresses the process of building self esteem Section 6 discusses sex education at home including basic values levels of understanding and sex and intimacy Section 7 deals with the special challenges of parenting teenagers while section 8 provides a series of structured problem solving exercises to help a group of teenagers learn how to talk to one another and solve problems effectively in preparation for working out problems with family members KB

**You're Teaching My Child What?** Miriam Grossman,2009-08-04 Exposes the lies and misconceptions about sex education taught to American children in school including information on sexually transmitted diseases contraception and homosexuality **Fearless Love** David L. Scherrer,Linda M. Klepacki,2004 Fearless Love equips designated leaders to expose the lies that our culture tells about sexual choices and gives high school students a solid grounding in what God says about sex Candid lessons provide frank information and answers to the questions teens ask Program culminates in an opportunity for students to pledge their purity and honor God in their sexual choices Features Eight step by step lessons and help leaders tackle delicate topics Supplementary material for groups and provides extras for groups that want to go deeper Rich biblical perspectives Reproducibles for hands on activities and provide valuable information today s youth need Reproducible Parent Pak and equips parents to talk about tough subjects with their kids Up to the minute statistics on Sexually Transmitted Diseases Cross culturally appropriate *Sex Crimes Investigation* Robert L. Snow,2006-04-30 No one wants to be robbed at gunpoint or have his car stolen or his house robbed When these crimes happen victims may feel angry afraid or violated But there is no violation quite so devastating as sexual assault Victims do not recover easily either

emotionally psychologically or physically from such incidents and the long term impact can have devastating effects on the victims their families and communities Investigating sexually based crimes is particularly difficult for many reasons Often the collection of evidence requires a medical examination of the victim a second violation of sorts Police must interview the victim who must recount his or her assault Often the victims are children and offenders range from family members to perfect strangers But investigating and prosecuting these crimes is crucial to the healing process of many victims and to the safety of society at large Detective Snow takes readers on a tour of the ways in which the police investigate and help prosecute such crimes Each chapter begins with a real life incident and throughout the book real stories are used to illustrate each step in the process Snow addresses the processing of the crime scene the collection of evidence the development of suspects the questioning of witnesses and perpetrators and the preparation for trial Few members of the public have any idea how complex and delicate the investigation of sex crimes really is This book sheds light on this important police work and helps readers understand how these crimes are investigated solved and prosecuted Victims and their families will especially benefit from the information in this book but all readers will gain insight into the crimes their incidence their impact on victims and the way the criminal justice system responds from the scene of the crime through the capture and incarceration of the perpetrators

**Born to Grow** Dr. Umesh Sharma, 2009-11 Your child's world is special mysterious exciting confusing and yet complete Written in easy to understand language and full of real life examples the book will help you see the world from your child's point of view and make parenting a never ending joyous adventure
