Ngawang Namgyel,2025-05-20 A comprehensive history of the Taklung Kagyu lineage of Tibetan Buddhism composed in the seventeenth century and includes glossy color images of recently discovered twelfth century portraits and inscriptions This is the first ever English translation of a multilayered and comprehensive historiographical volume on the political artistic architectural biographical and mystical dimensions of the Taklung one of four primary subsects of the Kagyu lineage of Tibetan Buddhism The bulk of the volume is a translation of an early seventeenth century Tibetan history by Taklung Ngawang Namgyel and includes supplements to that history written in the eighteenth nineteenth and twentieth centuries Centering an otherwise marginal and understudied Buddhist tradition this volume contains an extraordinary wealth of historical religious and biographical information not found in any other published work It is a complex tale of Tibetan

religiopolitical maneuvering in the face of centuries of civil unrest and armed conflict with Central Asian warring dynasties. While detailing the abbatial succession of the tradition's two main monastic seats, Taklung and Riwoche Monasteries, it is also broad and vast in scale, going back to sixth century BCE India to include early Indian Buddhist canon formulation, moving then to narratives on the Tibetan Kagyu lineage holders Marpa Milarepa and Gampopa to the twelfth century founding of the Taklung sect in Tibet, and then all the way through to the early twentieth century which saw Tibet's first modern military and cultural conflicts both within the country and with Chinese, Mongol, and Gorkha forces. An introductory essay by art historian Jane Casey on painting in the Taklung tradition includes her scholarly analysis of the dating and provenance of thirteenth century portraits and inscriptions only discovered in recent decades. Glossy color images of these paintings are included in the volume. Shambhala Publications gratefully acknowledges the generous support of Robert H. N. Ho and John Eskenazi in sponsoring the translation, and the Tsadra Foundation in sponsoring the preparation and printing of this book.
