The School World ,1906 *Can You See Us?* Dr. Wick, Dr. Johnson, 2011-03-08 Identical twins Drs Phyllis and Philetha Tucker have seen it all during their careers murder rape bomb threats and assaults with deadly weapons Surprisingly the sisters are not police officers FBI agents or private detectives They are school teachers who together have spent over 60 years educating and at times saving the youth of America Written in one voice of two women who share the same educational views and in some instances the same or similar experiences Can You See Us provides a compelling glimpse into an educational system that unfortunately no longer sees children as its first priority but seems to focus on politics and money The sisters share heart wrenching stories that detail the bullying abandonment and personal tragedies children endure on a daily basis in the midst of a school system short on resources funds and time They offer a moving perspective that only a teacher can provide while joyfully watching some children succeed and helplessly witnessing others fail The stories in Can You See Us will hopefully encourage parents educators and administrators to begin taking the crucial steps to transform an educational system in desperate need of reform Absolutely enlightening Professor Bonnie Ronson **Report of the Minister of Education for the Year ...** Victoria. book is a kind of semifictional memoir Chapters reflect the author s own experiences gained in the pursuit of tai chi and other martial arts The text flows as a novel but with substance based solidly in reality applicable to anyone tai chi practitioner or not since the main theme is the pursuit of principle in everyday life Book Description A tai chi student explores the Dao of Zheng Manqing with the aid of his teacher Laoshi Through personal accounts reflection and dialogue with Laoshi we witness the novice s evolution in his search for the spirit of the art and the resulting bond forged with his instructor Together student and teacher examine the philosophical and martial aspects of tai chi They demonstrate what it means to pursue principle and they see the ease with which it can be lost to that trickster and provocateur the ego Engaging sincere and at times lighthearted this fictional memoir narrated from the student s perspective addresses themes familiar to all who study tai chi and the martial arts Laoshi is a journey into tai chi and a meditation on life and living without fear
