Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism [Exposing Seventh-Day Adventism](#) Russell Earl Kelly Ph. D., 2005-07-22 Seventh day Adventism entices members into it using trickery and half truths They tell the unenlightened public one thing and insiders yet another Dr Kelly explains how he was tricked into joining He then refutes the theological fiasco called the Investigative Judgment which created the sect Much of the book looks at the Sabbath with fresh insight The final part reveals the mysterious realms of Sheol and Hades in order to expose SDA error about the soul Russell Kelly is also the author of Should the Church Teach Tithing A Theologian s Conclusions about a Taboo Doctrine a best seller on Amazon com under Tithing since 2001 **Seventh-Day Adventists, Ellen G. White, and Salvation** R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White s writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more

required than just relying on Jesus's sacrifice to cover their sins. If they did not meet a strict set of rules, would God cast them aside in the end? In this book, you will find out just who are the saved, who are the lost, and what happens to them in the end, and what end times will look like according to Ellen G. White and the SDA Church. The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven-year period in the preparation of this book. It is the author's hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus, but rather question anything that might have come between them and that grace.

**The a to Z of the Seventh-Day Adventists** Gary Land, 2009-07. Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh-day Adventist Church since its organization in 1861-63, this volume provides a comprehensive history of the denomination.

*The Truth about Seventh-Day Adventism* Walter Martin, 1960. The historical background of Seventh-day Adventism. Psychological factors. The heart of Adventist theology. Ellen G. White and the spirit of prophecy. The sleep of the soul and the destruction of the wicked. The Sabbath, the Lord's Day, and the mark of the beast. The sanctuary, the investigative judgment, and the scapegoat. Law, grace, and salvation. The remnant church. The problem of fellowship, a great controversy.

*Reasons for Our Faith* Francis David Nichol, 1947.

*Answers to Objections* Francis D. Nichol, 2004. After careful study of the supposed reasons offered for not accepting the teachings of Seventh-day Adventists, the author answers in this volume those which are most commonly encountered. It was on this basis that the author compiled the list of objections considered in this book. The objections answered in this unique and most helpful encyclopedic volume are not straw men but real problems faced by every minister, evangelist, literature evangelist, layman, and youth soul winner who seeks to promote Seventh-day Adventist teachings.

**Jesus Has Already Returned and You Missed It** John C. Rigdon, 2015-11-02. This book began as an academic study of the various predictions in history of Christ's return. I may yet publish that work, but due to the current interest and misunderstanding of the Seventh-day Adventists, this volume specifically addresses their beliefs and how they differ from Christian doctrine. This book is not presented as a judge of Ben Carson's faith in Christ, but as a look at how his beliefs align with what we know of Adventism in lieu of his presenting as a presidential candidate. I'm proud of the fact that I believe what God has said, and I've said many times that I'll defend it before anyone. Dr. Carson told the Adventist Report in 2013, "I want them to understand that we're very reasonable people and kind people, but we do have values and principles that we live by, and those are the things God has set forth in his word. So what are these values and principles? By which he and other Seventh-day Adventists live." This book focuses on a baker's dozen of their beliefs. Only those who worship on Saturday can be saved. All churches other than Seventh-day Adventist SDA church are teaching lies from the Devil. Only SDA members are true and obedient believers. Jesus is Michael the Archangel, and this is the name used for him. Jesus in the Old Testament. Christ's death did not fully atone for our sins. Jesus is now cleaning the sanctuary, i.e., making atonement in the heavens, before he can return.
