Heartstrings in Haiti Alice Warkentin, 2014-01-27 Haiti is a small country with many people. It is a beautiful country with scenic mountains, trees that grow year round, and bougainvillea blooming with pink and white flowers. It is a poor country with needy and destitute people who do not always know where their next meal is coming from or whether there will be a meal at all. And each one has a soul that will never die. Most of all, then, they need the gospel. Who will tell them? Heartstrings in Haiti tells of one man's efforts to help the people in Haiti, not just by handing out food or money, but by bettering their circumstances and doing something to make their lives easier. Raymond and Vera Withers of Detroit, Texas, have spent years in Haiti working for the good of mankind. Read about their colorful and varied experiences, including an eyewitness account of the major 2010 earthquake that shook the country and its aftermath.

The Player: Heartstrings and Fastballs: A Baseball Romance Carina Rose, From Carina Rose comes this fun and swoony sports romance. Jimmy Hall, the best pitcher in the league, especially when I got caught screwing up. Thanks to the incriminating pictures from my last trip to Vegas, the team's general manager assigned me a branding expert. I was ready to tell him I was fine on my own, but then my expert walked in, and I practically forgot my own name. Sommer Bennett had curves in all the right places and lips that could make a man stupid. Too bad she couldn't stand me. Even worse, she was the owner's granddaughter, making her off-limits. Or was she Sommer? When Granddad said he had a job for me, I couldn't have been more excited. I pictured myself as the vice president of player relations, or next in line to take over the Hawks. Instead, he wanted me to babysit the most arrogant player on the team, Jimmy Hall. It didn't matter that the man was drop-dead gorgeous or had the most strikeouts in the league. He was a PR nightmare, and now my nightmare. I'd graduated top of my class and have a master's in business, yet I still needed to prove myself. Jimmy Hall would not be the reason I didn't get the title I deserved. I just couldn't fall for his charm. Some things are easier said than done.

and circumstances of why the children came into our care Unless you've been a foster parent I don't believe anyone can really understand what the children and foster parents go through My husband and myself along with our two children endured the joys and heartaches of being foster parents Our social system is broken and the children in care are suffering for it Parents are neglecting and physically mentally and sexually abusing their children with little to no consequences We experienced children coming into our home in the middle of the night covered in their mother's blood after witnessing their father stabbing her repeatedly Our greatest challenge as foster parents was saying goodbye If they were going home to a loving family we were happy for them but many times that wasn't the case Often they were bounced from foster home to foster home year after year That's where the system failed them We're still friends with many of our foster children who are adults now Their asking themselves Why me
