

## Factory visits

Buckley Systems' main manufacturing hub and research centre is based in Auckland, New Zealand. Being a long way from many of our customers, we always appreciate people who make the effort to come and visit us to discuss requirements, check on their project being manufactured or discover why so many businesses choose us to manufacture their equipment.

To maximise the benefit of your visit we will do our best to arrange for you to meet our key people including physicists, design engineers and compliance/testing/quality staff.

We can show you around our coil winding, machining, assembly and testing workshops plus you will be able to see our Ion Source Test Facility (ISTF) and the scientific work that has come from it.

As we are a busy site and often undertake confidential work, we do need to schedule visits and reserve the right to qualify visitors before extending a formal invitation.

Please contact us if you would like to visit and we will do our best to make sure you maximise the benefit of your time in our corner of the world.

## 7th International Symposium on Negative Ions, Beams and Sources (NIBS'20)

AUCKLAND, NEW ZEALAND

## University of Auckland to host 2020 NIBS conference

At the 2018 International Symposium on Negative Ions, Beams and Sources (NIBS) conference held in Novosibirsk, Russia, the University of Auckland won the hosting rights for the 7th NIBS conference to be held in New Zealand in September 2020. This will be the first time a major accelerator physics conference has been held in New Zealand and reflects the historical ground-breaking work done through the University's collaboration with the Ion Source Test Facility (ISTF) research group at Buckley Systems' manufacturing headquarters.

Buckley Systems C&O, Dr Morgan Dehnell, was one of the main drivers behind the bid and is very excited about the event. "Hosting NIBS'20 brings the world experts in negative ion beams to New Zealand, which facilitates exposure to this field for professors and students in the Australasia region and provides a huge boost to our own negative ion beam collaboration with the University of Auckland, University of British Columbia, Buckley Systems Ltd and D-Pace Inc."

A key highlight of the conference will be a tour of Buckley Systems' impressive manufacturing facility with a chance to meet with the physics, design and operations teams, see the ISTF in action and talk to the researchers working on it.

Buckley Systems' founder Bill Buckley has been involved in manufacturing particle

physics equipment since 1968 and built his business on manufacturing specialist, high precision electromagnets, vacuum chambers and support equipment for research institutes and industry. Realising that if you are the very best in your field, people will seek you out no matter where in the world you are, Bill takes a hands-on role in his business, continually developing custom-made machinery and manufacturing techniques in addition to increasing plant capacity in innovative ways, ably supported by a highly experienced team of specialists.

Bill comments, "Many people don't realise how big Buckley Systems is in terms of manufacturing capability until they see it for themselves. The volume of steel, aluminium and copper that is processed every month is enormous. We even have a regional steel mill make our own, 'Buckley's Recipe' low-carbon, low coercivity, steel. To maintain the accuracy and quality demanded by our clients, we have made a conscious decision to be able to manufacture all our key components in-house. This allows us to take on multiple large projects knowing we won't be let down on supply or quality."

Buckley Systems is proud to be associated with the NIBS'20 conference and we look forward to opening our doors to the visiting delegates.

### **Technical Bulletin Introduction**

Technical Bulletin Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Technical Bulletin Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Technical Bulletin : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Technical Bulletin : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Technical Bulletin Offers a diverse range of free eBooks across various genres. Technical Bulletin Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Technical Bulletin Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Technical Bulletin, especially related to Technical Bulletin, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Technical Bulletin, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Technical Bulletin books or magazines might include. Look for these in online stores or libraries. Remember that while Technical Bulletin, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Technical Bulletin eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Technical Bulletin full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Technical Bulletin eBooks, including some popular titles.

## FAQs About Technical Bulletin Books

**What is a Technical Bulletin PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a Technical Bulletin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Technical Bulletin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a Technical Bulletin PDF to another file format?** There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

**How do I password-protect a Technical Bulletin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
