Technicians Of The Sacred A Range Of Poetries From Africa America Asia And Oceania:

Technicians of the Sacred Jerome Rothenberg, 1985-05-08 *Technicians of the Sacred* presents primitive and ancient poetries as the incantations they are loaded with power and very full of the magic that invests all good poetry The treatment is fascinating the commentaries are a gold mine of responses to the material by a strong poet the editor and his selection of analogous writings from a broad range of contemporary poets David P McAllester Technicians of the Sacred Jerome Rothenberg, 1969 Technicians of the Sacred Jerome Rothenberg, 1969 *Technicians of the Sacred, Third Edition* Jerome Rothenberg, 2017-08-22 A wide ranging anthology of ethnopoetry including origin texts visionary texts texts about death texts about events collected from Africa the Americas Asia Europe and the Ancient Near East and Oceania Provided by publisher *Technicians of the Sacred : a Range of Poetries from Africa, America, Asia & Oceania* Jerome Rothenberg (1931-comp), 1968 **Technicians of the Sacred** Jerome Rothenberg (poète.), 1968 Technicians of the Sacred, Third Edition Jerome Rothenberg, 2017 Hailed by Robert Creeley as both a deeply useful book and an unequivocal delight and by the LA Times Book Review as one of the hundred most recommended American books of the late 20th century Jerome Rothenberg's landmark anthology *Technicians of the Sacred* has educated and inspired generations of poets artists musicians and other readers exposing them to the multiple possibilities of poetry throughout the world Juxtaposing primitive and archaic works of art from many cultures with each other and with avant garde and experimental poetry Jerome Rothenberg contends that literature extends beyond specific temporal and geographic boundaries while acting as a retort to those who would call that larger humanity into question A half century since its original publication this revised and expanded third edition provides readers with a wealth of newly gathered and translated texts from recently reinvigorated indigenous cultures bringing the volume into the present and further extending the range and depth of what we recognize and read as poetry Literary History and Avant-Garde Poetics in the Antipodes A. J. Carruthers, 2024-03-05 Avant garde poetry in the Antipodes causes all sorts of trouble for literary history It is an avant garde that seems to arrive too late and yet right on time In 1897 Christopher Brennan made his own version of *Un Coup de Dés* the same year Mallarmé published it in *Cosmopolis* In the 1940s the same period avant gardism was declared dead or fatally injured due to the Ern Malley affair Harry Hooton began writing a significant body of experimental poetry From the 1950s to the 1970s Australian Dada emerged belatedly through figures like Jas H Duke Tristan Tzara had previously sung Aboriginal songs at the Cabaret Voltaire in 1916 First Nations and Migrant poets then began reinventing avant garde poetry in the twentieth and early twenty first centuries This book maintains that such a confounding literary history poses a distinct challenge to the theories of the avant gardes we have become accustomed to and changes our perspective of avant garde time **Opposing Poetries** Hank Lazer, 1996-08-12 Begins a series presenting collections of survey articles pivoting around the notion of computation The inaugural topics include generalized rational approximation subject to linear constraints matrix exponential approximations in the numerical solution

of differential equations unbounded fan in circuits and fixpoint semantics for a Petri net model of definite clause logic programs Each article is self contained and all assume a high sophistication in mathematics Future volumes may focus on a special subfield such as computational graph theory approximation or computability Annotation copyright by Book News Inc Portland OR

Holding the Line Clive Bush, 2009 This book comprises a selection of interdisciplinary essays in American literature and culture written by Clive Bush over some forty years They fall into four sections Classic American Literature Literary and Cultural Modernism Literature and Politics and American Cultural Studies The topics range from literature to architecture from the history of linguistics to analyses of the commodity culture from poetry to film The essays themselves extend from American linguistics to Beat literature There is however an identifiable series of common themes and perspectives throughout The first is the question of the relation of discourse itself to the practices of power personal social and political The second is the attention paid to the particular and general historical context in which both texts and quasi texts are situated The third is that a European perspective making use of comparative texts has been used throughout The author demonstrates a commitment both to close reading and to the value judgement in the reading of texts

For Those Who Come After Arnold Krupat, 2023-04-28 Drawing on the life stories of Native Americans solicited by historians during the 19th century and later by anthropologists concerned with amplifying the cultural record Arnold Krupat examines the Indian autobiography as a specific genre of American writing This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 Drawing on the life stories of Native Americans solicited by historians during the 19th century and later by anthropologists concerned with amplifying the cultural record Arnold Krupat examines the Indian autobiography as a specific genre of American w

Forked Tongues David Murray, 1991 creates a new definition of American Indian literary texts as a self representational genre This is an intelligent and insightful application of post modern critical methods to American Indian texts The scope of the study is broad and ambitious and the attempt to define Indian self representations from colonial times to the present is innovative and instructive Raymond J DeMallie very suggestive provocative engaging Studies in American Indian Literatures Murray's book establishes itself as the single best introduction to Native American text making in particular and the betrayals of the translation in general An essential acquisition for all college and university libraries and highly recommended for larger public libraries Choice It is a pleasure to recommend with wholehearted enthusiasm David Murray's Forked Tongues

Literature as an Art Form - Evolving Intermedial Literary Landscape Asunción López-Varela Azcárate, 2025-07-02 Literature as an Art Form Evolving Intermedial Literary Landscape brings together sixteen scholarly contributions that explore literature's ongoing transformation across media cultures and technologies This anthology traces

the dynamic interplay between literature and visual sonic performative and algorithmic forms ranging from illuminated manuscripts and oral traditions to digital texts and anime Rejecting the notion of literature as a fixed verbal art the chapters highlight its status as a transmedial evolving practice shaped by and shaping the environments in which it is situated Each essay examines how literature migrates across modalities revealing it as a mutable process of technopoiesis Together they offer a compelling vision of literature not as an autonomous artefact but as a fluid cultural phenomenon whose conditions of existence are inseparable from intermedial exchange

The Beats in Mexico David Stephen Calonne, 2022-04-15 Mexico features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac's *On the Road* to its role as a refuge for writers with criminal pasts like William S Burroughs Yet the story of Beat literature and Mexico takes us beyond the movement's superstars to consider the important roles played by lesser known female Beat writers The first book length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work this volume examines such canonical figures as Kerouac Burroughs Ginsberg Lamantia McClure and Ferlinghetti It also devotes individual chapters to women such as Margaret Randall Bonnie Bremser and Joanne Kyger who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture The Beats in Mexico not only considers individual Beat writers but also places them within a larger history of countercultural figures from D H Lawrence to Antonin Artaud to Jim Morrison who mythologized Mexico as the land of the Aztecs and Maya where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination

Israeli Salvage Poetics Sheila E. Jelen, 2023-10-10 The incorporation of eastern European

culture in Israeli Hebrew language literature Through thoughtful analysis of twentieth and twenty first century Israeli literature Israeli Salvage Poetics interrogates the concept of the negation of the diaspora as addressed in Hebrew language literature authored by well known and lesser known Israeli authors from the eve of the Holocaust to the present day Author Sheila E Jelen considers the way that Israeli writers from eastern Europe or of eastern European descent incorporate pre Holocaust eastern European culture into their own sense of Israeliness or Jewishness Many Israelis interested in their eastern European legacy live with an awareness of their own nation s role in the repression of that legacy from the elevation of Hebrew over Yiddish to the ridicule and resentment directed at culture text and folk traditions from eastern Europe To right the wrongs of the past and reconcile this conflict of identity the Israeli authors discussed in this book engage in what Jelen calls salvage poetics they read Yiddish literature travel to eastern Europe and write of their personal and generational relationships with Ashkenazi culture Israeli literary representations of eastern European Jewry strive sometimes successfully to recuperate eastern European Jewish pre Holocaust culture for the edification of an audience that might feel responsible for the silencing and extinction of that culture "Nancy Spero, Encounters " JoannaS. Walker,2017-07-05 An original and

valuable intervention in the fast growing field of feminist and new art histories Nancy Spero Encounters offers a sophisticated interpretation of the work of a highly original and under represented woman artist The study proposes a new model of comparatism within the field of visual studies mirroring and complementing Spero s dialogic manner of working Basing her analyses on extensive research and multiple face to face interviews with the artist Joanna Walker examines how a selection of the artists and art forms Spero cited offer significant points of comparison with her work Walker presents Spero s encounters with the art of Ana Mendieta with the poetry of the American poet H D with the dance of Isadora Duncan and turning the lens back on Spero as subject with the portraits of the artist by Abe Frajndlich Also included are transcripts of Walker s interviews with the artist and a listing of the books contained in Spero s personal library which informed her practice Not only does this book cast well deserved light on an artist who spent most of her career on the margins of the mainstream it reverses genealogies and revises the traditional remit of the art historical monograph through both its structure and content 2000 Years of Mayan Literature Dennis Tedlock,2011-11-04 A chronological survey of Mayan

literature covering two thousand years from the earliest hieroglyphic inscriptions to later works using the Roman alphabet

Indigenous Peoples Victoria R. Williams,2020-02-24 The book is an essential resource for those interested in investigating the lives histories and futures of indigenous peoples around the world Perfect for readers looking to learn more about cultural groups around the world this four volume work examines approximately 400 indigenous groups globally The encyclopedia investigates the history social structure and culture of peoples from all corners of the world including their role in the world their politics and their customs and traditions Alphabetically arranged entries focus on groups living in all world regions some of which are well known with large populations and others that are lesser known with only a handful of

surviving members Each entry includes sections on the group s geography and environment history and politics society culture and tradition access to health care and education and threats to survival Each entry concludes with See Also cross references and a list of Further Reading resources to guide readers in their research Also included in the encyclopedia are Native Voices inset boxes allowing readers a glimpse into the daily lives of members of these indigenous groups as well as an appendix featuring the United Nations Declaration on the Rights of Indigenous Peoples Broken Country C. L. Rawlins, 2014-09-23 C L Rawlins previous book Sky s Witness was praised by Jim Harrison for the spaciousness of its thought and the antic wit of its style Broken Country takes us back to the source Wyoming s remote Salt River Range where the author s life changed for good in the summer of 1973 Thus with a rift between himself and his family his heritage and a nation at war Rawlins begins a journey to the American interior He takes to the high country with a team of horses three dogs and a friend named Mitchell Black to watch over a herd of sheep And there he encounters not only a rugged landscape but his own mythic legacy the frontier West To be found he writes you must be lost or lose yourself And to be whole you must know that you are or can be or will be broken Here is fresh air ferocious mirth and a hint of silent terror as Rawlins tackles the questions we long to ask of ourselves and our tangled world As our reach extends to the vastness of the land it also deepens to touch the mysteries of the heart In Broken Country we find both storm and shelter as the author guides us to the place of understanding
