Internet Research Ned L. Fielden, 2001-01-01 To many people the use of computers and the Internet as research tools is not a new concept To others though computers are a relatively recent if necessary addition to their research toolkit A lack of experience presents many difficulties for first time users and others with limited computer know how This work a second edition to the acclaimed Internet Research Theory and Practice provides useful information for anyone who wants to broaden the range and scope of their research tools or anyone who wants to increase their knowledge about what is available electronically The author discusses the following basic methods of research using Internet protocols Internet history techniques for online searching research theory and suggestions for maximizing results mechanisms helpful in distinguishing good from bad or mediocre information and ways for individuals to improve their research skills Also included is an expanded discussion of Internet search engines and their operation issues in scholarly communication and other emerging matters and an enlarged and updated bibliography **The Changing World Religion Map** Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind s eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations. The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and

gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual Internet Popular Culture and Jewish Values Lawrence H. Sherlick, Junhao Hong, 2008 Are the values of students and their teachers threatened each time they enter the unchartered waters of the Internet's popular culture content The Internet has indeed come of age and as was the case with traditional mass media the Internet has been increasingly examined for its positive and negative effects particularly on children What triggered the present study was a newspaper article that described a ban on computers and the Internet imposed in October 1999 on its followers by the Belz Hasidic an Israeli Ultra Orthodox or Haredi religious sect This edict was also endorsed by 30 leading Ultra Orthodox rabbis from various other religious communities in Israel Explaining that this original prohibition against computers and the Internet was later revised to permit computer use but continue the ban on Internet access the article noted the Belz Hasidic sect determined that computers have proved valuable in teaching the Bible and in running businesses The Internet however was declared out of bounds largely because the information it exposed conflicted with Ultra Orthodox principles rejecting modernity popular culture and especially its proliferation of links to pornographic sites This study examines the convergence of religion elementary education Internet technology and popular culture messages within Jewish elementary school classrooms in Israel This research examines the methods used by Israeli computer coordinators to manage the convergence of Jewish or humanistic values with potentially conflicting Internet generated popular culture messages It asks what values whether Jewish values or human values at the core of the Jewish educator's belief system are important to transmit to their students It questions what types of popular culture messages carried by the Internet conflict with these values More importantly this study surveys how educators and students evaluate these conflicting messages in relation to the values they hold and the manner in which these conflicts are managed This is an important book for those in communication education Jewish studies Exploring American Jewish History through 50 Historic Treasures Avi Y. The Guide To The Jewish Internet: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Guide To The Jewish Internet: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a guiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
