

In both social and professional circles, demonstrating class and courtesy can open doors for you, while displaying poor manners can cause doors to shut in your face. What is the appropriate way to behave at the table, when should you refrain from answering your cell phone, what should you do if you break something in someone else's home? Knowing the correct responses to these questions separates the men from the gentlemen. *The Guy's Guide to Social Savvy* offers the answers to a host of common dilemmas, enabling you to be at ease in all sorts of circumstances. Whether your goal is to appear more polished when interacting with friends or to move up in the ranks at work, this engaging resource will help pave the way. Plus, this handy guide includes a tipping table and a "dining survival" card that you can tear out and stash in your wallet for quick and easy reference.
