The Harmony Of Interests Agricultural Manufacturing And Commercial

Daniel F McAuley

The Harmony Of Interests Agricultural Manufacturing And Commercial:

The Harmony of Interests Henry Charles Carey,1851

The Harmony of Interests Henry Charles Carey,2017-09-17

The Harmony of Interests Agricultural Manufacturing and Commercial was authored by Henry Charles Carey an important economist and a leader in the American school of developmental capitalism Born in Philadelphia Carey would go on to become the chief economic advisor to Abraham Lincoln The Harmony of Interests is Carey s work espousing support for the American system of economics in contrast to the British System Carey takes issue with the British system and the hands off approach of the central government in economic issues While most definitely a capitalist Carey believes the government should play a more significant role in regulating and stimulating the economy primarily through intervention in infrastructure projects the support of a national bank and the protection of domestic industry through high tariffs and subsidies to eligible companies The author outlines his views over a series of chapters that total more than two hundred pages This book is presented without an introduction or table of contents but is concluded with a detailed index Carey was an influential economist and the system detailed in this work is more or less the economic system followed by the United States through much of the twentieth century While a highly technical work the book is not totally beyond reproach for the reader unfamiliar with the inner workings of macroeconomics Carey s writing is clear and easily digestible The Harmony of Interests Agricultural Manufacturing and Commercial was an important work of economics by one of the leaders in the field Any reader interested in the history of economic policy in the United States and the broader western world will surely find this to be a fascinating read About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
