*The Heart of Tents* Steven Vita,1991      **Tent City: Stories from the Heart** Lee Roberts,Donna M. Kshir,2017-01-24  
Shortly after the release of Tent City Tragedy Turned Triumph controversy struck We received several hundred emails and private messages some threats from several people who were upset with the book s outcome They believed the book seemed to be one sided and fabricated by one individual s story completely conflicting with how the residents of Charleston West Virginia described the aftermath of Tent City This news broke our hearts as our sole intention was to help the men and women of Tent City Being strong believers of truth and justice we thought it was best to have the whole story told Broken hearted and angry as hell we dug deeper into the story connecting with many more of the residents of Tent City and those left in its aftermath As they shared with us on a deeper level their experiences we now realize we were misled and crucial pieces of this important story were withheld from us Now we are pleased to bring you the true story of Tent City by those who lived it      **The Heart of the Sands** J. L. Doty,2013-09-30 Now a Benesh ere slave every whiteface in the tribe hungers for Morgin s death But he is Harriok s property and while Harriok remains in a coma a victim of the venom of the sand cat s sixth claw the warriors wait and bide their time As Morgin accompanies them on the March an affinity for steel is slowly awakening within him and he truly fears the truths his growing knowledge may reveal Rhianne thinking Morgin is dead leads a lonely life as a hedge witch in a small village near the Lake of Sorrows But as she matures her powers grow far beyond those of a mere village healer She now has a personal connection to the deadly talismanic sword Morgin brought onto the Mortal Plane and as she begins to glean its true nature she fears the fate of all mankind As summer approaches and the heat of the sands of the Munjarro grows unbearable the Benesh ere are in the midst of their annual migration to the Lake of Sorrows During the two days it takes to cross the Plains of Quam their column is repeatedly attacked by companies of Kulls a game of sport for the halfmen Morgin fights beside the Benesh ere to protect the column and he reluctantly develops empathy for the whitefaces and their way of life Morgin knows he must overcome Jerst and Blesset s hatred of him and he regrets the heated words he threw at them shortly before the battle at Csairne Glen But his only recourse may be to fight them in individual mortal combat And as he tries to find a resolution to that situation he has no idea that he must again face Salula For thrice and thrice must a blade be born      *The Heart of a Continent* Frank E. Younghusband,1897      *The Heart of the Antarctic* Sir Ernest Henry Shackleton,1909      *The Heart Of The Sword* Franklyn Thomas Jr. ,2020-06-18 In a land where the sword decided who lived and who died came an almost unstoppable force This force ripped through a once peaceful land The beauty that once covered the hillside was now ravished by fire and the smell of death and destruction Creatures that once lay dormant were now roaming the lands leaving nothing but horror in their wake Then out of nowhere a champion takes the lead on the battle to restore peace and beauty back to the land he loved more than life itself Man had no chance until he showed himself He and the men who banded with him brought peace back to the land a peace that did not

last long an unexpected force that rose up and took the place of the evil that for a year had possessed the land Once again this champion stepped up to bring this evil that once again threatened his people as well as the land he loved and called home Its time was long ago and still the battle lingers on as if it will last forever **The Heart of a Stranger** Kathy Hawkins,2015-02-16 The story of Ailea a beautiful daughter of an Aramean general who is captured by David s army Taken back to Jerusalem by Jonathan one of David s mighty men Ailea is tutored in the ways of the God of Israel by Shageh a wise elder Soon both Ailea and Jonathan are caught up in a game of cross and double cross that could cost both of them their lives The Heart of a Stranger is part of Kathy Hawkins historical fiction series The Heart of Zion which takes you on a journey through the lives of fictional characters in the biblical stories of David and Solomon ***The Heart of the Antarctic and South*** Sir Ernest Henry Shackleton,2007 Ernest Shackleton led two Antarctic expeditions and died shortly after the beginning of the third His expedition ship Endurance was trapped then crushed in the ice before his party could be landed leaving his men in a hopeless situation For months Shackleton held his party together before taking to boats and bringing everyone to safety

s face So begins this smart and charmingly written debut novel about a young woman trying to start over amid the grandeur of the Alaskan landscape and the creaky confines of an isolated fishing village and its relentless and pungent salmon cannery A Hole in the Heart is the story of what happens when Bean arrives after accepting a last minute elementary school teaching job in a town of 2500 people on Alaska s southern coast Love and marriage follow in short order surprising Bean who feels that her husband is not only the best thing to happen to her but the only good thing Then Mick vanishes leading amateur hikers or tuna as the guides call them up Mt McKinley Suddenly Bean is thrown back upon herself and into the company of Mick s mother Hanna an arthritic woman in her seventies who believes that a little larceny is good for the circulation The pair chafe at first but eventually become partners in a road trip back to California Mike s disappearance feels like a hole in the heart they decide and Hanna tells Bean to prize that hole it s something no one can take away from her With gentle humor pathos and boundless stores of hope Marquis writes of Bean s struggle with early widowhood loss and moving on An avid bird watcher Bean takes much of her wisdom from the Pemberton Guide to Alaska Birds Like the globe crossing birds she so admires she has struggled to get aloft but for a delicious perhaps fleeting moment in this marvelous novel we see her glide Book Magazine selected Christopher Marquis as one of Ten To Watch In 2003 for this Proulxian saga With its first rate evocation of landscape and its affectionately drawn characters A Hole in the Heart marks the publication debut of a prodigiously talented writer
