The Heart Of The Soul Emotional Awareness:

Heart Of The Soul Gary Zukav, Linda Francis, 2012-12-11 In *THE SEAT OF THE SOUL* Gary Zukav brilliantly set forth his concepts explaining how the expansion of human perception beyond the five senses leads to a new understanding of authentic power. Then in *SOUL STORIES* he revealed how such concepts as intuition, harmony, sharing, and forgiveness actually express themselves in other people's lives. And now in *THE HEART OF THE SOUL* Zukav together with his coauthor and spiritual partner Linda Francis takes the next important step in showing us how to actually apply these crucial concepts in our daily lives. Zukav reveals how true emotional awareness can transform the human experience. Although it is challenging and difficult because it means becoming aware of suppressed pain, it is also enormously rewarding. But first the determination to explore every aspect of consciousness and to cultivate those that contribute the most to life must replace the desire to bury painful emotions. Ultimately emotional awareness can free us from the compulsions, fixations, obsessions, and addictions that block our spiritual development among them: anger, workaholicism, perfectionism, obsessive eating, alcohol, drugs, sex, and allow us to live a fulfilling and meaningful life. *THE HEART OF THE SOUL* will be a revelation for readers, a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power. It is a book to read not once but several times for it is a life-changing work that can transform our lives for the better. **Heart of the Soul**

Thoughts From The Heart Of The Soul

Gary Zukav, Linda Francis, 2012-12-11 Anger, Pain, Longing, Fear, Despair. These are all negative emotions we tend to try to keep at bay and pretend don't exist. And yet bestselling author Gary Zukav, who has been working in the field of emotions for over a decade, suggests we should and can bring these unmentionables out of the closet and deal with them. Not to do so is like trying to prevent water flowing downstream. You can dam it for so long but then it's likely to flood. Hence the prevalence of road rage, stress, alcoholism, and various other addictions in our society. Now in *THOUGHTS FROM THE HEART OF THE SOUL* the authors offer a collection of meditations to help us understand our emotions and live healthily and happily in harmony with them. Both a companion piece to *THE HEART OF THE SOUL* and a stand-alone book that offers insight into who we are and all that we can become, this enlightening compilation of reflections and meditations will be cherished by readers for years to come. *The Heart of the Soul* Gary Zukav, Linda Francis, 2002 A New York Times Bestseller.
