The Hidden Places Of Derbyshire:

The Hidden Places of the Peak District and Derbyshire Samantha Russell, 2009-01 A Guide to The Peak District Derbyshire

The Hidden Places of England Peter Long, 2004 England's landscape is as diverse as its culture. It is a country with magnificent landscapes. This guide looks at the more established places of interest throughout the country but it also focuses on the more secluded and little known visitor attractions and places to stay, eat and drink.

The Hidden Places of the Peak District and Derbyshire Mike Gerrard, 2011-01-31 The Hidden Places of the Peak District Derbyshire is a beautifully illustrated guide and explores the Peak District Derbyshire in a relaxed narrative style. It contains a wealth of interesting information on the history, the countryside, the towns and villages and established visitor attractions but it also focuses on promoting the lesser known places of interest and places to stay, eat and drink.

The Hidden Places of Derbyshire Barbara Vesey, 1999 Covering Derbyshire and the Peak District, this book includes information on the more secluded and little known venues for food, drink, accommodation and places of interest as well as the more enduring attractions of the county.

The Hidden Places of the Peak District and Derbyshire Jim Gracie, 2007 This is the 7th edition of the popular Hidden Places of the Peak District Derbyshire which has been extensively redesigned to include a striking new cover and new page layouts. In addition, although you will still find details of places of interest and entries of places to stay, eat and drink included under each village or town, these are now cross referenced to more detailed information contained in a separate, easy to use section at the back of the book. This beautifully illustrated guide explores the county in a relaxed narrative style by guiding the reader to some of the established visitor attractions but also focusing on the more secluded and less well known places of interest and places to stay, eat and drink.

The Peak District National Park was the very first of Britain's National Parks, covering an area of 540 square miles and offers windswept moorland, steep river valleys and impressive crags to the north and green landscapes and gentle flowing rivers to the south. In contrast, the rest of Derbyshire offers the visitor an intriguing mix of villages and towns packed with a cultural and industrial heritage.

The Hidden Places of Derbyshire Peter Long, 2002 This is the 5th edition of Hidden Places of Derbyshire and is now printed in full colour. Derbyshire is an area famous for its remarkable landscapes, including the remarkably stunning Peak District National Park, the very first of Britain's National Parks. The Peak District covers an area of around 540 square miles and is a region of high moorland and towering plateaux that rise 2088 feet above sea level. Move slightly south into the Derbyshire Dales and the area becomes less wild and isolated than the remote high Summits of the Peak District. It is in this region where the two main rivers, the Wye and the Derwent, flow. Once heavily populated with industrial shipping traffic and along its banks are situated many of the towns and villages. Derbyshire has a real mix of scenic delights, a county blessed with beautiful eye-catching villages and towns and also a county that possesses a very interesting industrial and cultural heritage due to the close proximity of large industrial conurbations such as Derby. The book is written in an attractive narrative style and is

packed with information on the more secluded and little known venues for food drink accommodation and places of interest as well as the more enduring attractions of the county This edition is now printed in full colour and incorporates an attractive redesigned cover featuring eye catching photographs of Ramshall Rocks in the Peak District Leawood Pumping Station on the Cromford Canal and Monsal Dale Viaduct The Hidden Places of the Peak District and Derbyshire Barbara Vesey,2006

The Hidden Places of England Barbara Vesey,2000 An easy to use travel guide noted for its wealth of interesting geographical and historical information on the UK This guide concentrates on the more secluded and less well known visitor attractions and places to eat and stay while covering the more established places of interest Includes line drawings of each place addresses and telephone numbers *The Hidden Places of World War II* Jerome M. O'Connor,2022-02-15 In *The Hidden Places of WWII* the author takes readers to overlooked places where WWII history was made These are sites that were thought to be closed or locked away forever or in some cases thought never to exist at all or were ignored by military historians for decades With historical photos contemporary photos and written in a conversational style the book opens the eyes of a new generation of readers as well as an older generation and takes them to the actual locations that changed history Many military history readers don't know that you can still visit Nazi U boat pens in Lorient and La Rochelle on the French Atlantic coast they were used in the filming of *Raiders of the Lost Ark* and even pieces of the Atlantic Wall Hitler had built along the French coast in 43 and 44 to thwart the invasion he knew was coming These are only two of the many hidden places the author introduces the reader to **The Hidden Places of East Anglia** Barbara Vesey,2003 This is the 7th edition of the *Hidden Place of Anglia* one of the *Hidden Places* most popular titles and will be printed in full colour The East Anglian counties offer plenty for the visitor to explore in real *Hidden Places* country Norfolk is famous for the Norfolk Broads but has a rich and interesting past gentle hills as well as expansive horizons delightful pastoral scenes a beautiful coastline rich in wildlife and many interesting hidden places to visit Suffolk was made famous by the brush of John Constable and is blessed with incomparable rural beauty which encompasses wide open spaces broken by gentle hills and tidal rivers meandering from a coastline teeming with birdlife Essex contains England's oldest recorded town Colchester has a strong maritime tradition pretty villages a coastline with attractive estuaries and a rich history going back to Roman times Cambridgeshire is famous for its ancient university and being the birthplace of Oliver Cromwell and Samuel Pepys but offers a wealth of peaceful and attractive countryside with many towns and villages steeped in history which are truly hidden places The book is packed with information and coloured photographs covering the more secluded and little known venues for food accommodation and places of interest as well as the more enduring attractions of the region **The Secret Within** Wolfgang Riehle,2014-02-07 Spiritual seekers throughout history have sought illumination through solitary contemplation In the Christian tradition medieval England stands out for its remarkable array of hermits recluses and spiritual outsiders from Cuthbert Godric of Finchale and Christina of Markyate to Richard Rolle Julian of Norwich and Margery Kempe In *The Secret*

Within Wolfgang Riehle offers the first comprehensive history of English medieval mysticism in decades one that will appeal to anyone fascinated by mysticism as a phenomenon of religious life In considering the origins and evolution of the English mystical tradition Riehle begins in the twelfth century with the revival of eremitical mysticism and the early growth of the Cistercian Order in the British Isles He then focuses in depth on the great mystics of the fourteenth and fifteenth centuries Richard Rolle the first great English mystic the author of *The Cloud of Unknowing* Walter Hilton Margery Kempe and Julian of Norwich Riehle carefully grounds his narrative in the broader spiritual landscape of the Middle Ages pointing out both prior influences dating back to Late Antiquity and corresponding developments in mysticism and theology on the Continent He discusses the problem of possible differences between male and female spirituality and the movement of popularizing mysticism in the late Middle Ages Filled with fresh insights *The Secret Within* will be welcomed especially by teachers and students of medieval literature as well as by those engaged in historical theological philosophical cultural even anthropological and comparative studies of mysticism

God's Traitors Jessie Childs, 2014 For many Catholics the Elizabethan Golden Age was an alien concept Following the criminalization of their religion by Elizabeth I nearly two hundred Catholics were executed and many more wasted away in prison during her reign Torture was used more than at any other time in England's history While some bowed to the pressure of the government and new church publicly conforming to acts of Protestant worship others did not and quickly found themselves living in a state of siege Under constant surveillance haunted by the threat of imprisonment or worse the ordinary lives of these so called recusants became marked by evasion subterfuge and constant fear In *God's Traitors* Jessie Childs tells the fascinating story of one Catholic family the Vauxes of Harrowden Hall from the foundation of the Church of England in the 1530s to the Gunpowder Plot of 1605 and their struggle to keep the faith in Protestant England Few Elizabethans would have disputed that obedience was a Christian duty but following the excommunication of Queen Elizabeth by Pope Pius V in 1570 and the growing anti Catholic sentiment in the decades that followed it became increasingly difficult for English Catholics to maintain a dual allegiance to their God and their Queen Childs follows the Vauxes into the heart of the underground Catholic movement exploring the conflicts of loyalty they faced and the means by which they exerted defiance Tracing the family's path from staunch loyalty to the Crown to passive resistance and on to increasing activism Childs illustrates the pressures and painful choices that confronted the persecuted Catholic community Though recusants like the Vauxes comprised only a tiny fraction of the Catholic minority in England they aroused fears in the heart of the commonwealth Childs shows how anti popery became an ideology and a cultural force shaping not only the life and policy of Elizabeth I but also those of her successors From clandestine chapels and side street inns to exile communities and the corridors of power *God's Traitors* exposes the tensions and insecurities that plagued Catholics living under the rule of Elizabeth I Above all it is a timely story of courage and concession repression and reaction and the often terrible consequences when religion and politics collide

Whitaker's Book List ,1991 **The**

reliquary ,1870 *The Hidden Places of Nottinghamshire, Derbyshire & Lincolnshire* Jo Noel-Stevens,Martin Stevens,1991

Secret Wartime Britain Colin Philpott,2018-11-30 The secret military facilities hidden across Great Britain are revealed and investigated in this fascinating WWII history During the Second World War thousands of facilities across Britain were requisitioned to support the war efforts Beyond that countless others were built from scratch Often the purpose of these locations was a closely guarded secret even from those living close by In **Secret Wartime Britain** Colin Philpott has compiled a fascinating collection of sites that still exist in some form today They include underground factories storage sites and headquarters spy and communication centers interrogation and POW camps dummy sites research facilities such as the sinister Porton Down treasure stores in stately homes and even royal retreats in the event of invasion such as Madresfield Court Where were these sites and why were they needed How successfully were they kept secret What has happened to them since Were they returned to their owners Answers to these and other questions make **Secret Wartime Britain** a riveting and revealing read
