## **The Guardsman:**

**The Guardsman** Richard Nelson, 2016-05-03 Budapest's most beautiful young actress is notorious for affairs that only last six months. When she finally marries, she chooses the city's most handsome and talented young actor. Five and a half months later, suspecting his new wife is getting restless, the actor takes on his most daring role yet: disguising himself as a dashing Emperor's guardsman to test her fidelity and win her love. But the more he woos his wife as this guardsman, the more insanely jealous he gets of the character he feels compelled to play. This new translation by Richard Nelson is sharp, funny, and perhaps calls to mind that other psychodrama about a stormy marriage: *Who's Afraid of Virginia Woolf?* **Indiana Guardsman**, 1991

**Path of Glory** Bret Funk, 2014-08-24 The Boundary: The greatest feat of magic in the history of Madryn. An impenetrable barrier raised to imprison the Darklord Lorthas. Nearly a millennium has passed since the Boundary's creation, and its power is fading. The four races struggle amongst themselves; their once proud alliance, now distant memory. Old enemies have resurfaced, and new ones lurk in the shadows, eager to use the chaos to their advantage. The truth is known only by Jeran, an orphan raised in the shadow of the Boundary, and his companion Dahr, an outcast hiding from his past. Haunted by the knowledge of the Darklord's weakening prison and pursued by Tylor Durange, exiled Prince of Ra Tachan, the boys race across Madryn to deliver news of the Boundary's fall to the King of Alrendria. Yet their greatest threat may come not from the Darklord, but from the secrets they try so hard to hide from each other. **Truth of a Betrayer** Nathalie M.L. Römer, 2021-08-24 The coastal city of Achellon is one of the last strongholds of Keldarra. It is protected by Magi who seemingly keep it safe from attack by Wolf Riders. When they arrive at the city, they are greeted with suspicion, doubt, fear. Marrida already knows what fate awaits her in the city. When her predictions come true, it is up to Alagur to gain the trust of the citizens. The South Spire is the bastion of Magi. What Alagur discovers quickly is that it does not serve as a haven, but as an instrument of fear. He has tried to put aside his old life as a Wolf Rider. This city forces him to confront this past. **Poland China Journal**, 1919

Reissue. **Fabrick** Andrew Post, 2013-11-01 Clyde has worked for Mr. Wilkshire for a very long time. Life is comfortable in his keeper's chateau until Mr. Wilkshire is attacked. *Welcome to Our City* Thomas Wolfe, 1999-03-01 In 1920 Thomas Wolfe left the South with the strong desire to become a dramatist To pursue his chosen craft he enrolled in the Harvard 47 Workshop at that time the most renowned in the nation At first he wrote plays about Appalachian society and the Civil War But it was not until Wolfe turned to the modern South inspired by a disturbing return to his hometown of Asheville North Carolina that his genius awoke There he found the material he would work into the best of his three full length plays written at Harvard the material that in the next decade would be recast into the novels that would make him famous This is the first book publication of *Welcome to Our City* Thomas Wolfe's play in ten scenes of a modern South ruled by liars and real estate agents overrun with boosterism and dedicated to greed This sprawling fiery work has lain dormant among Wolfe's papers for over fifty years abandoned by its author after an unsuccessful attempt to revise and shorten it for a New York Theatre Guild production For this edition Richard S Kennedy has reassembled a full performance text of the workshop version presented at Harvard in 1923 a production that involved forty five cast members including over thirty speaking parts required seven stage changes and lasted over three and a half hours in performance The action of *Welcome to Our City* centers on a scheme of the town fathers and real estate promoters of Altamont a small southern city to snatch up all the property in a centrally located black district evict the tenants tear down their houses and shops and build a new white residential section in its place When the blacks under the angry leadership of a strong willed doctor resist eviction a race riot breaks out shattering both the precarious social balance of the city and the progressive dreams of Altamont's boosters Building on this plot Wolfe guides his audience through the back rooms stately homes and shanty towns of Altamont contrasting tradition bound southern characters with a new breed of life drawn from the vast menagerie of 1920s Main Street America fact spouting yes men hypocritical religious leaders anti intellectual professors provincial country club matrons and politicians inauthentic from their heads to their feet *Welcome to Our City* is not merely an exhibit in the artistic development of a future novelist Wolfe used the dramatic form inventively and with considerable inspiration to expose the culture of greed that he saw spreading around him and to caricature the men who he feared would usher in an age of mediocrity across America Emotionally gripping and mockingly satiric *Welcome to Our City* captures the

festering social climate of the 1920s in a vision of life that is uncomfortably relevant to our own times      **Less Dreadful With Every Step** Clive Woolliscroft, 2023-05-28 In August 1914 the lives of two young people seem mapped out in front of them Frank happily employed as a bank teller is to marry his fianc e in the spring Emily is also to marry around the same time Both are natives of Jarrow Their homes are about a ten minute walk away but they have never met Then everything changes      **Holy Sister** Mark Lawrence, 2019-04-09 The searing conclusion of the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors They came against her as a child Now they face the woman The ice is advancing the Corridor narrowing and the empire is under siege from the Scithrowl in the east and the Durns in the west Everywhere the emperor s armies are in retreat Nona Grey faces the final challenges that must be overcome if she is to become a full sister in the order of her choice But it seems unlikely that she and her friends will have time to earn a nun s habit before war is on their doorstep Even a warrior like Nona cannot hope to turn the tide of war The shiphearts offer strength that she might use to protect those she loves but it s a power that corrupts A final battle is coming in which she will be torn between friends unable to save them all A battle in which her own demons will try to unmake her A battle in which hearts will be broken lovers lost thrones burned      **Heritage and Exile** Marion Zimmer Bradley, 2002-04-01 The Heritage of Hastur Nominated for a Hugo Award and described as Bradley s best Darkover novel by Lous THE HERITAGE OF HASTUR is a brilliant epic of the pivotal events in the love hate relationship between the Terran worlds and the semi alien off spring of the forgotten colonists who peopled Darkover This is the complex and compelling tale of the early life of Regis Hastur Darkover s greatest monarch But HERITAGE also spins the terrifying and heartbreaking story of those who sought to control the deadly Sharra Matrix and tells how Lew Alton met and lost his greatest love Marjorie Scott This is the unforgettable showdown between these Darkovan lords who would bargain away their world for the glories of Terran science and those who would preserve the special matrix powers that are at once the prize and burden of Darkover Sharra s Exile The most dangerous magical implement on all of Darkover was the infamous legendary Sharra Matrix Embodying the image of a chained woman wreathed in flames it was the last remaining weapon of the Ages of Chaos an era of uncontrolled laran warfare which had almost destroyed all life on Darkover The Sharra Matrix had been exiled offworld to one of the far flung planets of the Terran Empire in the protective custody of one who had suffered gravely from its use Comyn Lord Lew Alton But when Lew was called back to Darkover to contend for his rights he had no choice but to bring this dangerous matrix back with him and once the Sharra Matrix was black her flaming image spread far and wide setting motion events which would change the lands the seven Domains and the entire future forever      **Thirteen Seconds: Confrontation at Kent State** Eszterhas, Joe, Roberts, Michael D., 2012-07-20 The dramatic and eye opening original account of events that shook the nation At noon on May 4 1970 a thirteen second burst of gunfire transformed the campus of Kent State University into a national nightmare National Guard bullets killed four students and wounded nine By nightfall the campus was

evacuated and the school was closed A generation of college students said they had lost all hope for the System and the future Yet Kent State was not a radical university like Berkeley Columbia or Harvard Although a new mood had been growing among the students in recent years the school was not known for political activity or demonstrations In fact exactly one week before students had held their traditional spring is here mudfight What most alarmed Americans was the knowledge that if this tragedy could occur at Kent State on a campus made up of the children of the Silent Majority and in the heart of Middle America it could happen anywhere But why how did it happen that young Americans in battle helmets gas masks and combat boots confronted other young Americans wearing bell bottom trousers flowered shirts and shoulder length hair What were the issues and why did the confrontation escalate so terribly Would there be future confrontations like the one of May 4 To answer these questions prize winning reporters Eszterhas and Roberts who were on campus on May 4 spent weeks interviewing all the participants in the tragedy They traveled to victims homes and talked to relatives and friends they spoke to National Guardsmen on the firing line and to students who were fired on By putting together hundreds of first person accounts they were able to establish for the first time what actually took place on the day of the shooting
