The Haunted Palace Edgar Allan Poe, 1839      The Haunted Palace, 2013 Description Movie Press Kits      *The Haunted Palace. A Drama [in One Act.]**. Stephen Schofield, 1937      The Haunted Palace Frances Winwar, 1959 The author unfolds the psychological story of a man afflicted all his life by his own extreme sensitivity Yet in his brief tormented life Poe managed to produce stories poems and essays of such literary merit as to make him a powerful influence in American and European letters      *The Haunted Palace for Soprano, Chamber Ensemble, and Electronics* Eli J. Breon, 2022 This work sets the poem The Haunted Palace by Edgar Allen Poe for soprano a chamber ensemble consisting of three woodwinds piano and five strings and fixed media electronic playback The six stanzas of the poem are each cast as an individual song comprising together a sort of monodrama as the ballad progresses Songs two through four are performed without a break as are songs five and six The poem was originally published in the magazine American Museum in 1839 then subsequently incorporated into the short story The Fall of the House of Usher published the same year as improvised verses sung by the eponymous Roderick Usher while he rhapsodizes on his guitar The poem conjures an image of a once well appointed and lavish mansion that has since decayed into ruin This serves as an allegory for a mind lost to despair and disease as various elements of the palace are compared to the hair eyes and mouth of a human head The poem ends morosely lamenting the loss of reason and its replacement by hollow laughter Musically the work interacts with and combines elements of two musical threads that wove through the twentieth century The first of these is the that of melodramatic works for solo voice and chamber ensemble as exemplified by Arnold Schoenberg s foundational work *Pierrot lunaire* of 1912 The other is that of music for solo voice with electronics first possible in the middle of the 20th century and epitomized in such works as *Philomel* by Milton Babbitt written in 1964 Babbitt s simultaneous use of recorded and live voice in that work has particularly impacted the construction of this work
