emotion was a matter of transactions They saw emotion as a commodity and conceptualized relations between people and between individuals and God as transactions of emotion governed by contract Religion became a business relation with God with prayer as its legal tender Entering this relationship they were conducting the business of the heart This innovative study shows that the revival with its commodification of emotional experience became an occasion for white Protestants to underscore differences between themselves and others The display of emotion was a primary indicator of membership in the Protestant majority as much as language skin color or dress style As Corrigan unravels the significance of these culturally constructed standards for emotional life his book makes an important contribution to recent efforts to explore the links between religion and emotion and is an important new chapter in the history of religion The Businessmen s Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging in *From The Heart Of A Country Preacher* Neal Murphy,2007-11 This book includes over 300 sermon outlines from almost every book of the Bible poems jokes and topical sermons by the Rev Clarence Howell whose ministerial work spanned some 75 years These sermons are rich in content Biblical truths inspiration and instruction They may be used by preachers pastors evangelists and Sunday School teachers for building a message on a particular topic or a specific scripture passage Many sermons for special days and holidays are in this treasury including a wedding ceremony that he used over 850 times This book may also be used as a daily devotional reading God s word will have another opportunity to inspire hearts and win souls Rev Howell my father in law earned an Associate Arts degree from Wayland Baptist College a Bachelor of Arts Degree from Hardin Simmons University and a Master s degree in Theology from Southwestern Baptist Theological Seminary in Fort Worth Kenneth Neal Murphy resides in his birthplace San Augustine Texas with his wife Clara He has two children Kay Fatheree a pastor s wife of Wyoming and Doug Murphy a police officer in North Carolina and five grandchildren Neal earned a Bachelor of Business Administration from Stephen F Austin State University in Nacogdoches Texas and a Master s Degree in Insurance from the Insurance Institute of America He also attended Baylor University in Waco Texas where he studied religion courses He is a Deacon in a Baptist Church and has taught Sunday School classes and directed church choirs for years He began his writing in 2005 and many of his short stories about his life have been published in Reminisce Magazine Good Old Days Magazine and the new Town Square magazine One story was included in Memories of Mother a book published by Xulon Press

A Sense of the Heart Bill J.

Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel God s presence Whether like St Paul s experience on the road to Damascus or like Wesley s strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the

nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities

Embellish and Nourish Your Heart with Joy Deena Vardhini,2025-06-20 In the midst of life s busyness it is easy to feel distracted overwhelmed or disconnected from what truly matters Yet each day offers a new opportunity to pause reflect and realign our hearts with God Embellish and Nourish Your Heart with Joy is a collection of daily reflections born out of quiet moments in Scripture simple insights that have blessed me and that I hope will encourage others Each entry is brief yet meaningful offering a verse a thought to ponder and a gentle reminder of God s presence in our everyday lives This book is not meant to replace deep Bible study but to serve as a quiet invitation to slow down meditate on His Word and find joy in the simple act of drawing near to Him Whether in the early morning hours during a midday pause or before resting at night these reflections are a way to recenter and realign with the One who sustains us May these words bring encouragement peace and a renewed awareness of the beauty found in walking with Christ one day at a time

How to Promote & Conduct a Successful Revival Rueben A. Torrey,2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2 6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration so presumably they will not have that power today Some of the

methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God s work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men
