Soviet Foreign Policy Its Social And Economic Conditions:

Soviet Foreign Policy Egbert Jahn,1978 **Kennan and the Art of Foreign Policy** Anders Stephanson,1989 From an array of intellectual reference points Stephanson history Rutgers U has written a serious assessment of this complicated often controversial highly respected American policymaker A work of general significance for a wide range of contemporary issues in foreign and domestic politics a **Soviet Foreign Policy in a Changing World** Robbin F. Laird,Erik P.

Hoffmann,2021-03-22 No detailed description available for Soviet Foreign Policy in a Changing World Rethinking Theory and History in the Cold War Richard Saull,2001 Rethinking Theory and History in the Cold War focuses on what we mean by politics and international relations and how such assumptions have come to determine our understanding of the Cold War Using an historical materialist method the author criticizes conventional conceptions of international politics that tend to focus on the agency of and relations among states and offers an alternative historical sociology of the Cold War through an analysis of the relationship between formal political authority and socio economic production Seen from this perspective the state the modern conceptions of politics can be seen as products of a capitalist modernity in which politics is based on the separation of the spheres of politics in the state and economics in civil society BOOK JACKET Beyond Soviet Studies

Daniel Orlovsky,1995-02 Daniel Orlovsky brings together a group of leading scholars attempt a systematic assessment of the state of studies of the former Soviet Union after its collapse The authors re examine the transition from communism and review the study of post Soviet society national identity and nationalism politics and political institutions economics foreign policy and culture They offer constructive criticisms of the field and set out research questions for an uncertain future

Soviet Foreign Policy Carl G. Jacobsen,2016-01-19 This book looks at the new themes and directions that have characterised Soviet foreign policy during the first Gorbachev era Various aspects are studied in detail such as the shift of attention away from relations with America as being their prime foreign policy concern *The Defence of the Realm in the 1980s* Dan Smith,2021-01-26 This book first published in 1980 is a close analysis of Britain s defence policy in the latter years of the Cold War It examines the factors that limited the choices available to the governments of the day including technological advances costs changes in the balance of power strategic thinking in both West and East and the consequent implications for the development of forces and arms **Western Marxism and the Soviet Union** Marcel van der

Linden,2007-06-30 The Russian Question was an absolutely central problem for Marxism in the twentieth century Numerous attempts were made to understand the nature of Soviet society The present book tries to portray the development of these theoretical contributions since 1917 in a coherent comprehensive appraisal It aims to present the development of the Western Marxist critique of the Soviet Union across a rather long period in history from 1917 to the present and in a large region Western Europe and North America Within this demarcation of limits in time and space an effort has been made to ensure completeness by paying attention to all Marxist analyses which in some way significantly deviated from or added to

the older theories **Soviet Foreign Policy** Erik P. Hoffmann, Robbin Frederick Laird, Frederic J. Fleron, **Global Rivalries From the Cold War to Iraq** Kees van der Pijl, 2006-08-20 This book offers a highly original analysis of world events in the light of the Iraq War It explores the history and development of relations between major countries in the international community and the impact that successive wars and changes in the global political economy have had on the way states relate to each other today Tracing the liberal state structure back to the closing stages of the English Civil War and settlement in North America it argues that the rise of the English speaking West has created rivalries between contender states that are never entirely put to rest With each round of Western expansion new rivalries are created Offering a truly global analysis that covers every area of the world from Europe and America to China the Middle East Latin America and Russia he analyses the development of international relations post WWII and questions whether the neoliberal project and its human rights ideology have collapsed back into authoritarianism under the guise of the war on terror
