Soviet Social Problems:

Soviet Social Problems Walter Connor, David E Powell, Anthony Jones, 2019-09-05 This book analyzes the Soviet Union's social problems focusing on those it shares with Western industrial societies. It assesses the social concerns confronting Gorbachev including poverty, prostitution, health, education, and family issues, and the difficulty of adapting to technological change.

Social Problems in a Free Society Myles J. Kelleher, 2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political, and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory.

Social Change and Social Issues in the Former USSR Walter Joyce, 2016-07-27 Perestroika has led to more openness than ever before about Soviet social problems, and it has accelerated the processes of demographic and social change. In this collection, a group of leading British, European, and North American specialists analyse the central features of a changing society, concentrating upon mortality patterns in the population itself and upon the social problems that have been brought to the fore by glasnost, such as drugs and alcohol abuse.

Drugs, Alcohol, and Social Problems James D. Orcutt, David R. Rudy, 2003-09-03 *Drugs, Alcohol, and Social Problems*, a collection edited by James D. Orcutt and David R. Rudy, includes 14 clearly written articles that exemplify the best of sociological scholarship on drug and alcohol problems. The readings strike a balance between constructionist, epidemiological, and ethnographic approaches to the study of drinking, drug use, and related problems such as domestic violence, crime, and the spread of HIV/AIDS. A general introduction and five section introductions, written especially for this volume, highlight basic theoretical questions and analytical themes that run through the articles. In contrast to many books on problems of substance use, *Drugs, Alcohol, and Social Problems* devotes equal attention to drug and alcohol-related issues. The volume is organized around important theoretical and research approaches to the sociology of social problems, making it suitable for adoption as a supplement in undergraduate courses on social problems, as well as for more specialized undergraduate and graduate courses in the area of drug and alcohol studies.

Handbook of Social Problems George Ritzer, 2004 Ritzer's *Handbook of Social Problems* offers a comprehensive treatment of today's major societal issues. The articles are authored by some of the top scholars in the field and address problem areas that will capture the interests of students and professors alike. The international coverage is most welcome in this time of intensifying global inequalities. Nancy Jurik, Arizona State University. The *Handbook of Social Problems: A Comparative International Perspective* provides a unique, broadly comparative perspective on the current state of social problems and deviance in a variety of societies around the world. Editor George Ritzer, along with leading U.S. and international sociologists, examines the relationship between social problems and a society.

s level of development and affluence The essays in this volume focus on four interrelated issues involved in the relationship between social problems and the level of development and affluence Less developed and less affluent societies are more likely to experience a range of social problems than developed and affluent societies Affluence causes or at least brings with it a series of social problems that do not exist in less affluent societies It is only with affluence that certain things can come to be imagined as social problems such as excessive consumption The very affluence of a society makes it vulnerable to problems that would not be social problems in poorer societies The Handbook explores the theory of the weakness of the strong in other words strong or wealthy nations may have greater vulnerability to some social problems than less developed or affluent societies This theory is clearly illustrated in this volume by the aftermath of September 11 2001 depicting the vulnerability of the U S to social problems in far removed corners of the world In addition the international and comparative essays in this volume cover other important issues such as the impact of modern technologies on social problems ecological problems global inequality health as a social problem and much more The Handbook of Social Problems is a vital resource for sociologists and graduate students as well as an excellent addition to any academic library *Global Social Problems* Allan Mazur, 2007-03-01 While conventional social problems textbooks focus on issues in the United States *Global Social Problems* examines major problems around the world Beginning with a broad history of how humanity came to be divided along its present major social cleavages the text then turns to the specific problems of war social inequality population and resources and environment It is intended as a core reading for a class on global social problems including war inequality population and resources and environment *The Soviet Social Contract and why it Failed* Linda J. Cook, 1993 This book is the first critical assessment of the likelihood and implications of such a contract Linda Cook pursues the idea from Brezhnev's day to our own and considers the constraining effect it may have had on Gorbachev's attempts to liberalize the Soviet economy

Social Problems Eric Bonds, 2014-06-05 This short book lays out a new definition for what constitutes a social problem the violation of a group's human rights which are understood as commonly upheld standards about what people deserve and should be protected from in life Evaluating U S society from an international human rights perspective Bonds also stresses that human rights are necessarily political and can therefore never be part of a purely objective exercise to assess wellbeing in a particular society His approach recognizes that there is no one single interpretation of what rights mean and that different groups with differing interests are going to promote divergent views some better than others This book is ideal for undergraduate sociology courses on social problems as well as courses on social justice and human rights A Researcher's Guide to Sources on Soviet Social History in the 1930s Sheila Fitzpatrick, Lynne Viola, 2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus

it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized data bases

Introduction to Global Social Problems Isaac Zvi Christiansen, 2025-09-08 Introduction to Global Social Problems introduces undergraduate students to national and international social problems from a critical sociological perspective Isaac Zvi Christiansen presents clear descriptions of each social problem explains key concepts and provides students with the relevant theoretical tools needed to grasp the interconnected nature of these phenomena This volume covers significant and interconnected issues The book begins with an explanation of how corporate interests distort the depiction of social problems Chapters 2 and 3 provide empirical explorations of poverty and inequality on national and global scales together with clear and accessible expositions of relevant sociological theories Chapter 4 examines health and educational inequalities exacerbated by the economic inequalities discussed in Chapters 2 and 3 Chapter 5 introduces students to issues of racial inequalities in the United States and abroad while Chapter 6 takes a comparative approach to examining crime and criminal justice Chapter 7 examines modern day imperialism and war with special attention given to the military industrial complex and a brief review of US interventions around the world in the twentieth and twenty first centuries Chapter 8 examines politics and human rights including a critical historical and sociological analysis of Israeli settler colonialism and successive US Israeli assaults on Gaza The book closes with an examination of population and the environment with special attention given to climate change and the pressing contradictions between capitalism and the environment This textbook will be a vital resource for introductory students across the social sciences especially in sociology political science and global studies It provides critical wraparound coverage of the momentous embedded social problems that interconnect across social national and regional boundaries

Soviet Social Problems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soviet Social Problems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soviet Social Problems has opened up a world of possibilities. Downloading Soviet Social Problems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soviet Social Problems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soviet Social Problems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soviet Social Problems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soviet Social Problems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soviet Social Problems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soviet Social Problems Books

1. Where can I buy Soviet Social Problems books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Social Problems book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Soviet Social Problems books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Soviet Social Problems audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Soviet Social Problems books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
