Soviet East European Survey 1984 1985:

Soviet/East European Survey, 1983-1984 Vojtech Mastny, Radio Free Europe, 1985 **Soviet/East European Survey**, 1985 The Soviet Concept of 'Limited Sovereignty' from Lenin to Gorbachev Robert A. Jones, 2016-07-27 The book examines the origins development and contemporary significance of the Soviet doctrine of limited sovereignty Brezhnev Doctrine with particular reference to the Doctrine's implications for the Soviet Union's relations with Eastern Europe The author identifies and considers the multiple functions served by the Soviet Union's essentially dualistic or bi axial approach to sovereignty which embraces notions derived from both general international law and from Soviet Marxist Leninist doctrine The book also includes a comparative analysis of the US Monroe Doctrine The author argues that although in the Gorbachev era of new thinking the Soviet doctrine of sovereignty may be developing a third axis Western predictions of the imminent or actual demise of the Brezhnev Doctrine are premature *East European Fault Lines* Janusz Bugajski, 2019-04-10 This book provides a comparative analysis of oppositionist trends in the Soviet satellite states of contemporary Eastern Europe It evaluates the extent and objectives of independent social activism in these countries and explores both the causes and effects of public dissent *A History of the Gypsies of Eastern Europe and Russia* D. Crowe, 2016-04-30 David Crowe draws from previously untapped East European Russian and traditional sources to explore the life history and culture of the Gypsies or Roma from their entrance into the region in the Middle Ages until the present *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 East Central Europe Lawrence D. Orton, 1989 *Eastern Europe and Communist Rule* James F. Brown, 1988 **Crisis and Reform in Eastern Europe** Ferenc Feher, 2020-02-13 Communism in Eastern Europe is in crisis Its dimensions are social and economic its manifestation is political This volume a collection of essays by leading authorities describes the symptoms of the crisis diagnoses the causes of the malady and offers alternative scenarios for therapy A unique dimension of this collection is its avoidance of one dimensional explanations The contributors approach the subject from very different angles and start from very distinct sociopolitical premises The volume includes original accounts of unexplored aspects of East European communism as well as classic interpretations of the economic crisis and social stagnation that characterize the area Contributions not only examine the sociopolitical behavior of the ruling apparatus but also analyze its strategies political culture and the opposition Both the professional and the general reader seeking more information about Eastern Europe will find this volume an extensive in depth portrait of the current situation in what many observers predict may develop into the major area of tension in post World War II Europe **Protestantism and Politics in Eastern Europe and Russia** Sabrina P. Ramet, 1992 Coming at a time of enormous transformations in the one time Communist bloc this volume provides a much needed perspective on the significance of church state relations in the renaissance of civil society in the region The essays collected here accentuate the peculiarly political character of Protestantism within Communist systems With few identifiable leaders a multiplicity of denominations and a tendency away from hierarchical structures the Protestant

churches presents a remarkably diverse pattern of church state relations. Consequently the longtime coexistence of Protestantism and Communism in Eastern Europe and the former Soviet Union affords numerous examples of political accommodation and theological adaption that both reflect and foreshadow the dramatic changes of the 1990s. Based on extensive field research including interviews with notable figures in the Protestant churches in the region, the essays in this volume address broad topics such as the church's involvement in environmentalism, pacifism, and other dissident movements, as well as issues particular to Russia, Poland, Czechoslovakia, East Germany, 1949-1989, Hungary, Yugoslavia, 1945-1991, Bulgaria, and Romania. The final volume in the three-volume work, *Christianity Under Stress: Protestantism and Politics in Eastern Europe and Russia*, will prove invaluable to anyone hoping to understand not only the workings of religion under Communism but the historical and contemporary interactions of church and state in general. Contributors: Paul Bock, Lawrence Klippenstein, Paul Mojzes, Earl A. Pope, Joseph Pungur, Sabrina Petra Ramet, Walter Sawatsky, N. Gerald Shenk, Gerd Stricker, Sape A. Zylstra.
