

Soviet Russia And The Middle East

Michael Brown

Soviet Russia And The Middle East:

Soviet Russia and the Middle East Aaron S. Klieman, 1970 **Soviet Russia and the Middle East** Aaron Klieman, 1967 *Soviet Russia and the Middle East* Aaron Klieman, 1970 Russia and the Middle East Talal Nizameddin, 1999 The end of the Soviet Union precipitated a reassessment of Russia's foreign policy in many parts of the world particularly the Middle East This text looks at how a once cherished commitment to ideological goals and superpower rivalry with the United States was replaced after 1991 with a pragmatic foreign policy based on national interest epitomized by the appointment of Yevgeni Primakov as foreign minister The book examines Gorbachev's new thinking the foreign policy debates under President Yeltsin and the warning of Russian influence over the Palestinians and its consequent exclusion from the secret Oslo records Case studies of Russia's relations with Israel Syria Lebanon Jordan Saudi Arabia Iraq Turkey and Iran provide the reader with a detailed analysis of the region's wider diplomatic and strategic concerns **Russia's Middle East Policy** Alexey Vasiliev, 2018-03-19 This extraordinary book charts the development of Russia's relations with the Middle East from the 1950s to the present It covers both high and low points the closeness to Nasser's Egypt followed by reversal the successful invasion of Afghanistan which later turned into a disaster the changing relationship with Israel which was at some time surprisingly close the relationship with Syria which continues to be of huge significance and much more Written by one of Russia's leading Arabists who was himself involved in the formation and implementation of policy the book is engagingly written extremely insightful telling us things which only the author is in a position to tell us and remarkably frank not sparing senior Soviet and Russian figures from criticism The book includes material based on the author's conversations with other leading participants **Russia and the Arabs** Evgenii Maksimovich Primakov, 2009-09-22 Fifty tumultuous years of Middle East history from the perspective of a former Russian prime minister and KGB general **Russia in the Middle East** Andrej Kreutz, 2006-11-30 Kreutz examines the goals and strategies of Russia and the former Soviet Union toward most of the Arab states in the Middle East The author argues that Russia has been an important actor in the region for over a century and has tried to regain its influence in several countries following its strategic retreat after the collapse of the Soviet Union in the early 1990s However according to Kreutz Moscow does not seek confrontation with the United States or with the West in general in the region Rather the Russians are interested in peace and stability in the region which is close to its borders Because of that although Moscow wants to cultivate its links with Israel it also seeks to reach a peaceful and balanced solution to the Palestinian Israel and the Arab Israeli conflicts taking Palestinian and Arab interests into account Washington can better engage Moscow as a stabilizing force in the Middle East and as a collaborator in the struggle against Islamic terrorists At the same time the United States must be cognizant of where Washington and Moscow diverge Although Russia may be too weak now to compete with the United States on a global scale it is not happy to see American or EU encroachment close to its own neighborhood If we take their weakness for granted and become blind to the possibilities for

Russian alliances in the region we do so to our disadvantage This book demonstrates Russia s enduring interest and influence in the Arab Middle East The Middle East in Soviet Policy Ronald De McLaurin,1975 *Soviet Russia and the Middle East* Buel W.. Patch,1946 *Russia in the Middle East and North Africa* Chiara Lovotti,Eleonora Ambrosetti,Christopher Hartwell,Aleksandra Chmielewska,2020-04-14 After decades of intense interest and rivalry with the USA the end of the Cold War and the dismantling of the USSR officially marked a period of significant retreat of Russia from the Middle East and North Africa MENA However with Russia s economic recovery and the entrenchment of President Vladimir Putin Russia s interest in the region has risen anew Once again seen as a battleground to contest US hegemony Russia has expanded its political military and to a lesser extent economic relationships across the region Most apparent in the military intervention in Syria Russia has also been engaged with traditional rivals Iran Saudi Arabia and Turkey stepping into the vacuum left by the US Obama Administration Is Russia s reengagement part of a strategy or is it mere opportunism Authors with different backgrounds experiences and origins examine this question via an analysis of the historical drivers of Russian interest in the MENA region and the factors underlying current Russian policies
