

The background of the image is a composite of several elements. At the top, a large, pale, skeletal face with two prominent, glowing orange-red eyes looms over a city. The face appears to be made of a crystalline or metallic material with sharp, spiky protrusions. Below the face, a dark, silhouetted figure stands on a high, jagged rock formation. The city below is a dense urban landscape at night, with numerous lights from buildings and streets. A body of water is visible in the foreground, reflecting some of the city lights. The overall color palette is dominated by dark blues, blacks, and greys, with the glowing eyes and the yellow/gold text providing high contrast.

Spacetime Beast The Antichrist Spirit:

Spacetime Beast Roddrick B. Wesley, 1998-09 **Decoding Spacetime** Eric Carlson, 2010-11-08 This is a book about science religion and being yours and mine The study of being is called Ontology Our culture is dominated by a naturalist ontology The question is does ontology include a supernatural component Or is that idea a relic of our primeval past sort of like appendix and adenoids parts that can be excised from the body of our belief system The author argues for the primacy of the transcendent supernatural ontology by means of two books the book of nature and the book of transcendency the Bible each containing its own portion of the evidence Mr Carlson argues for the following The universe represents a small portion of Gods ontology a small reality devoted to redemption The signet of redemption is the number 7 its appearance within chronology is deliberate instructive and compelling The Creation Week account reflects a two fold metaphor 1 space time itself was created to support the redemptive act and 2 mankind's history will unfold in a series of seven ages later quantified as millennia The interval between Adam and Abraham literally filled one redemptive bi millennium but the catastrophic effects of 3 realities the Cainite civilization Noah and the break up of Pangaea contribute to the appearance of myth as viewed by the uniformitarian geologist for whom catastrophes appear invisible The 2nd bi millennium Abraham to Messiah was also fulfilled exactly in redemptive time The termination of our age is imminent and dependent upon the chronology of Israel mankind's chronograph A detailed chronology of the history of Israel is flavored with the redemptive signet especially 70 yrs or 70 heptads of yrs By decoding Israel's history in redemptive time and employing the single concept of the favor of God the author derives a Biblical based proof that modern Israel is the same and identical state founded by Samuel in 1096 BC Three independent proofs of this foundational date are provided These proofs show that the Monarchy existed for exactly 511 yrs which period is exactly equal to 73 heptads Israel is an heptadic state The author concludes that the redemptive corollary to Israel's ontology is also proven we have actually entered the end times and the events associated with the last days will soon unfold Because the reality of Israel is visible to all it is apparent that the redemptive offer made to mankind is also real and visible such as that appearing in John 3 16 John 6 40 and Romans 10 9 13 There is much to learn about our world Start now Tomorrow may be too late **Unlocking Orthodoxies for Inclusive Theologies** Robert E.

Shore-Goss, Joseph N. Goh, 2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by

those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community

The Mystical Keys to the Book of Revelation Laura Lee Galan,2000-09 The Mystical Keys to the Book of Revelation is about the author s miraculous transformation that was responsible for aligning her soul with the Spirit of the living God As her journey progressed God and his angels taught Laura the secrets to the Book of Revelation They revealed that this sacred Scripture is not a book of doom and gloom but simply describes in symbolic language the stages of metamorphosis that will occur on the planet as the souls of humanity are aligned with the divine spirit Laura s own metamorphosis led her into the arms of true love as she and her soul mate were united She reveals how the forces of the Holy Trinity become active in two souls as they become bonded by Divine Love Laura has recorded her journey and the messages that the Divine Spirit imparted to her in the hopes that they will inspire others to search for truth and love in their own lives

A Brief Study Guide for the Book of Revelation Leonard Quick, M. Div.,2023-02-02 The second coming of Jesus Christ draws closer with every tick of the clock With every heartbeat each person is closer to meeting the Lord face to face The question at hand is When will this occur A more pressing question is Are you your family and your church ready specifically The purpose of the book of Revelation is to inform and prepare each person and church for the reality of the second coming The purpose of this book is to inform train and prepare individuals and churches to engage the present culture with the gospel as we experience the radical effects of these long prophesied end times This book is written for those who know very little about the Bible or the Christian faith as well as for those who have followed Christ faithfully for decades Jesus constant challenge in Scripture was and is Be ready

The Wizard of Us Volume I Michel Labrèche,2017-04-12 Life is an experience where we must emerge victorious over what prevents us from manifesting our reality In this collection of

eight volumes the author defines us as human beings our psyche and the connection that exists between our body soul and Mind He answers fundamental questions that trouble us deep down inside Who are we Where do we come from Where are we going He shows us how to remain objective about our subjective experience The author covers the origin of creation of the universe the emergence of man and the end of our world that progressively fades away He goes beyond the limits of psychology which restrain our attempt to grasp our real consciousness He shows us that the imperfection of our ego is at the origin of the wide array of emotions that afflicts us and enslaves humanity He explains the phenomenon of the degeneration of our physical body leading to death He shows us how to slow it down to finally reveal how to overcome it His research helps us understand our presence in the universe He demystifies the process of reincarnation and lifts the veil from the reality of paranormal phenomena He teaches us how to wake up the wizard that sleeps within us and how to set him free The author's vision constitutes an overview of the human adventure and of our destiny if we have the power and we manifest the Will to triumph from the burden which was imposed on us The only limits that we possess are the one which we cannot refute The author explores the scenarios of the end of this world in relation to the law of cycles which will lead to the birth of a new civilization where science will amaze and assist us into our exploration of life He shares his personal experiences with us as well as his comprehension of the lessons learned from them He gives us all the necessary tools that will finally enable us to deliver ourselves from the forces of decay in order to be able to escape from our terrestrial prison The first page of this collection opens the door to infinity and to our inner wizard

Satan's Godson B.W. Robinson, 2022-06-16 Do demons really exist Have you ever seen one Are people who claimed to be possessed merely having a non specified emotionally induced psychotic episode Is it possible that those who alleged to have expelled demons experiencing some type of religious self induced hallucination That is what the main character in this novel once believed The story of Satan's Godson is based upon the hypothetical notion that as Jesus had John the Baptist as his forerunner the Antichrist may also have a forerunner who will sow seeds of deceit subtle enough to deceive even the most devout Christian to accept his false identity A demon born in the dark corners of antiquity searches for a way to emerge through an astrophysical world into the world of mankind and pave the way for his master An innocent little boy becomes swept up into a whirling demonic mystical plot planned and perpetrated by one of Satan's most dreadful

demons Dr Otis Boyd is the boy's father. He is a man with strong convictions and is an avowed gnostic who neither believes in the traditional Christian definition of God nor in demons. However, he soon finds he must face a personal inner demon he thought was buried deep in depths of his past and turn to a God who he has never acknowledged to help him save his son, his sanity, and his soul. *Analysis of the Revelation of st. John, chap. iv-xx* Henry Edwards, 1850
