Spade Among The Rushes:

Spade Among the Rushes Random House,2001-03-01 Spade Among the Rushes Margaret Leigh,Katie MacLean,2011-04-01 This lucid account of crofting life during the second World War has been a popular classic since its first publication in 1949 One of very few books available on Moidart in the north west of Scotland it evokes the enchanted magical beauty of this much loved area of the country Margaret Leigh was already a successful author when her longing for freedom and independence led to her decision to become a crofter in the West Highlands These memoirs describe her attempts to transform a deserted croft into a home and her struggles to snatch land back from the wilderness Although far from the Blitz the effects of the war are felt throughout the Highlands and the rationing of food and vital materials the battles with bureaucrats who had no understanding of a crofter s needs and even the appearance of a Nazi mine off the coast all frustrate Margaret Leigh s efforts But despite the hardships the land and the people of the Highlands gave her a contentment and happiness she had never known before This edition has a new Introduction by Katie Maclean who knew Margaret Leigh during her time in Moidart A Spade Among the Rushes Margaret Leigh,2011 **Spade Among the Rushes. A Notable Woman Jean Lucey Pratt, 2015-11-05 A glorious gut wrenching read *A Notable Woman* makes my heart sing Jean's diaries are a life in its entirety in all its glorious mess The Pool In April 1925 at the age of fifteen Jean Lucey Pratt started a journal that she kept until just a few days before her death in 1986 producing over a million words in forty five exercise books What emerges is a portrait of a truly unique spirited woman and writer Never before has an account so fully so honestly and so vividly captured a single woman's journey through the twentieth century Jean's journals are timeless She leaps out of her own pages free as

she never was in life you want to protect her and simultaneously to slap her and cheer her on It s very funny occasionally sobering and shot through with acute insights Who would have imagined that the life of a Buckinghamshire bookseller would make you want to turn the pages so fast I wanted to know how she got through the war but I was even more interested in when she would lose her virginity Hilary Mantel New York Times bestselling author Shows us in close up how extraordinary the business of an ordinary life can be how much complexity and feeling and humour it can contain The Guardian The most moving and important book I read this year by a mile New Statesman What makes these diaries such pleasurable reading is one s sense of the diarist herself her vibrancy and humour her idea of life as a battle to overcome and most of all her endless supply of hope and her refusal to be beaten Literary Review
