Spaffords 1824 Guide for New York Travelers G. Martin Sleeman, 1991 A reprint of a New York classic compiled and edited by Martin Sleeman great for history buffs It contains information for travelers of that day *A Pocket Guide for the Tourist and Traveller, Along the Line of the Canals* Horatio Gates Spafford, 1824 **The Catskills** Kenneth Myers, 1987

The WPA Guide to New York Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The WPA Guide to New York provides a total of 45 excellent tours taking the reader across the Empire State from Niagara Falls and the Adirondacks to the five boroughs of New York City In addition to the nation's center for culture and industry New York also contains rich Native American Revolutionary and immigration history all detailed in this diverse guide for a diverse state **Everything Worthy of Observation** Paul G. Schneider Jr., 2019-07-01 Offers a firsthand account into early nineteenth century New York State and Lower Canada during a time of enormous growth and change In the pre dawn of August 2 1826 Alexander Stewart Scott stepped aboard the steamboat Chambly in Quebec City Canada He was beginning a journey that not only took him across New York State but also ultimately changed his view of America and her people A keen observer the twenty one year old meticulously recorded his travel experiences observations about the people he encountered impressions of things he saw and reactions to events he witnessed This firsthand account immerses the reader in the world of early nineteenth century life in both New York and Lower Canada Whether enduring the choking dust raised by a stagecoach the frustration and delays caused by bad roads or the wonders and occasional dangers of packet boat travel on the newly completed Erie Canal all are vividly brought to life by Scott's pen This journal also offers a unique blend of travel and domestic insights With close family members living in both St John's Quebec Canada and Palmyra New York his travels were supplemented by long stays in these communities offering readers comparative glimpses into the daily lives and activities in both countries Gregarious funny and inquisitive Scott missed nothing of what he thought worthy of observation Everything Worthy of Observation charts the lively trip of Alexander Stewart Scott across New York State in 1826 From drinking the waters at Saratoga Springs to getting completely drenched by the spray at Niagara Falls Scott's fascinating diary is contextualized and expertly explained by Paul G Schneider Jr making the reader want to visit these places in order to compare Scott's observations Jennifer A Lemak coauthor of *An Irrepressible Conflict The Empire State in the Civil War* Everything Worthy of Observation is a delight to read

Not only does one see State landmarks such as Niagara Falls through fresh eyes a neatly foiled snake attack at the Falls is recounted but one almost feels the dust of stage coach travel The hazards of canal travel are made clear the large number of low bridges on the Erie Canal required that canal boat passengers lie down flat on the Deck or get down below to avoid receiving severe blows and getting knocked down No doubt the pleasure of reading this book is greatly enhanced by the scholarship of Paul G Schneider Jr His extensive research is evident in the wonderful notes he provides that furnish context for the reader I highly recommend this book Margaret Lynch Brennan author of *The Irish Bridget Irish Immigrant Women in Domestic Service in America 1840 1930* Carefully transcribed and meticulously edited the travel journal of Canadian Alexander Stewart Scott provides a close up view of life in upstate New York in 1826 A cultivated devotee of the theater and of books and reading Scott records many details during his canal and lake voyage He describes meeting many interesting people during his travel which included transportation not only on canal boats but also by stagecoach and steamboat Scott has left us with a fascinating depiction of New York State during a significant period in its history Paul R Huey Retired Senior Scientist Archaeology New York State Office of Parks Recreation Historic Preservation *Catalogue of the New York State Library.
