Ironside,2015-04-30 Much of the material embodied in this volume has appeared in the course of the past nine years in The Sunday School Times and is used here in accordance with an understanding had with and permission given by the owners of that periodical when I assumed responsibility for the leading article on the weekly International Lesson With so much matter already in print and available for use it was thought best not to wait until circumstances permitted me to give a series of lectures on Matthew to be stenographically reported and edited for publication but rather to write a connected exposition filling in with new material what was lacking in the notes from The Sunday School Times This accounts for the different form in which this book appears to those on the other Gospels for which I have been responsible I send the book out with the earnest prayer that it may prove helpful to many H A Ironside
