## **Teaching And Counseling Gifted And Talented Adolescents An International Learning Style Perspective:**

*Teaching and Counseling Gifted and Talented Adolescents* Roberta M. Milgram, Rita Dunn, Gary E. Price, 1993-10-30 The goal of this book is to provide teachers with the theoretical and practical information needed to meet the daily challenge of individualizing instruction for gifted and talented students with different learning styles in regular classrooms These students spend most of their time in regular courses Teachers and counselors often are urged to provide for the unique needs of each of these learners without being shown how such adolescents differ from each other in their learning style traits This is the first book devoted entirely to the topic and it is based on a two year study in many different nations *Multiculturalism and Learning Style* Rita Dunn, Shirley A. Griggs, 1998-08-20 This text synthesizes the research on the learning style

characteristics of five culturally diverse groups Native Americans Hispanic Americans African Americans Asian Americans and European Americans Although each of these groups has distinguishing features and differs from other groups on some of the 22 elements that constitute learning style there are broad within group variations that preclude generalizations Dunn and Griggs identify a multidimensional model of learning style describe a comprehensive assessment instrument for identifying an individual's learning style and provide a variety of educational interventions that accommodate diverse learning style preferences

**International Handbook of Giftedness and Talent** K. A. Heller, F. J. Mönks, R. Subotnik, Robert J.
