Evans, Neil J. Anderson, William G. Eggington, 2015-06-12 ESL Readers and Writers in Higher Education describes the challenges ESL students in U S postsecondary institutions face when studying in a second language and offers suggestions for how teachers advisors tutors and institutions might provide support that meets the reading and writing needs of this very important student population Because the ESL profession as a whole including what professionals are doing in the classroom sits under the umbrella of an institutional response to a language related challenge some solutions aimed at helping students achieve optimal proficiency lie outside of the classroom As such this book is based on the assertion that language development support is not the sole responsibility of language teachers Everyone on campuses that hosts ESL students bears some

responsibility for these students language development Chapters are therefore intentionally adapted to appeal to a wide variety of readers from classroom teachers and teachers in training to admissions officers academic advisors and Glocalising Approaches to Learning and Teaching English Natalia international student advisors Forum ,1983 Wright, 2025-02-27 This volume focuses on glocalization in English language teaching and learning examining the challenges of its implementation It describes the innovative practices of multilingual TESOL practitioners from various parts of the world offering nuanced perspectives on how to glocalize teaching methods curricula materials and teacher preparation The chapters spanning different levels of education weave together theory and practice highlighting strategies to successfully navigate the complex relationships between global demands and local needs in language teaching and learning This edited book presents empirical research studies which together provide the evidence based knowledge necessary to effectively teach linguistically and culturally diverse students Beyond academic discussion this book serves as a practical guide for those involved in teacher preparation offering strategies and practical applications of glocalized approaches to developing programs for pre service educators Above all the book invites all language teaching professionals to embrace glocalization practices in response to the increasingly plurilingual and pluricultural world in which they operate Local Solutions for Global Challenges Samir Chatterjee, Jan vom Brocke, Ricardo Anderson, 2025-07-02 The two volume proceedings set LNCS 15703 and 15704 constitutes the refereed proceedings of the 20th International Conference on Local Solutions for Global Challenges DESRIST 2025 which was held in Montego Bay Jamaica during June 2 4 2025 The 36 full and 2 short papers presented in this book were carefully reviewed and selected from 111 submissions. The papers presented in these volumes are organized into the following topical sections Part I Emerging DSR Methods and Novel DSR Applications Data Driven Design Science DSR Education Healthcare Systems Ageing and Wellbeing Part II Responsible Artificial Intelligence Design Cybersecurity Privacy and Ethics Innovation and Entrepreneurship Sustainable Development and Environmental Solutions

Situating Moral and Cultural Values in ELT Materials Handoyo Puji Widodo, Marianne Rachel Perfecto, Le Van Canh, Adcharawan Buripakdi, 2017-09-27 This volume accentuates how ELT materials can be a mediation of capitalizing on moral and cultural values which are more locally grounded in respective Southeast Asia SEA countries It features critical studies on locally produced ELT materials textbooks situated in the following SEA countries Timor Leste The Philippines Singapore Malaysia Cambodia Vietnam Indonesia and Thailand The chapters written by experts who know the ELT context of their respective SEA country critically examine the design and use of ELT materials widely used in local and national contexts Thus the volume provides fresh insight into how values are uniquely manifested in language classroom materials The present text also brings together empirical conceptual and practical grounds for incorporating moral and cultural values into ELT materials development in such a way that it views morality and culture as a mutually complementing entity This much needed volume will be a valuable resource for those interested in the design and use of language materials in culturally

and linguistically diverse contexts such as in the Asia Pacific America Africa and Europe <u>English as an International</u>
