Educating for Human Dignity Betty A. Reardon, 2010-08-03 Issues of universal human rights are critically important topics in education today Educators scholars and activists urge schools to promote awareness and understanding of human rights in their curricula from the earliest levels Written by by Betty A Reardon one of the foremost scholars on human rights education for the primary and secondary levels *Educating for Human Dignity* is designed for both teachers and teacher educators It is the first resource offering both guidance and support materials for human rights education programs from kindergarten through high school It opens possibilities for an holistic approach to human rights education that directly confronts the values issues raised by human rights problems in a context of global interrelationships **Dysconscious**

Racism, Afrocentric Praxis, and Education for Human Freedom: Through the Years I Keep on Toiling Joyce E. King, 2015-04-10 A dynamic leader and visionary teacher scholar Joyce E King has made important contributions to the knowledge base on preparing teachers for diversity culturally connected teaching and learning and inclusive transformative leadership for change often in creative partnership with communities Dr King is internationally recognized for her innovative interdisciplinary scholarship teaching practice and leadership Her concept of dysconscious racism continues to influence research and practice in education and sociology in the U S and in other countries This volume weaves together ten of her most influential writings and four invited reflections from prominent scholars on the major themes the work addresses In the World Library of Educationalists international scholars themselves compile career long collections of what they judge to be their finest pieces extracts from books key articles salient research findings major theoretical and or practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands of their work and see their contribution to the development of a field *Elementary Schooling for Critical Democracy* Jesse

Goodman, 1992-02-06 This book examines the way in which elementary schooling can be used as a means to encourage critical democracy in the United States It focuses primarily on the dialectical tensions and issues that emerge from the conflicting values of individuality and community through a portrayal of an independent elementary school committed to democratic education **Philosophy, Children, and the Family** Albert C. Cafagna, Richard T. Peterson, Craig A.

Staudenbaur, 2012-12-06 The United Nations designation of 1979 as the International Year of the Child marked the first global effort undertaken to heighten awareness of the special needs of children Activities initiated during this special year were designed to promote purposive and collaborative actions for the benefit of children throughout the world Michigan State University s celebration of the International Year of the Child was held from September 1979 through June 1980 A variety of activities focused attention on the multiplicity of factors affecting the welfare of today s children as well as the children of the future Many people involved with the university were concerned that benefits to children continue beyond the official time allocated to the celebration The series Child Nurturance is one response to this concern The first five volumes of

Child Nurturance reflect directly the activities held on the Michigan State University campus and consist of original contributions from guest speakers and invited contributors Subsequent biennial volumes will present original contributions from individuals representing such fields as anthropology biology education human ecology psychology philosophy sociology and medicine We hope the material presented in these volumes will promote greater understanding of children and encourage interdisciplinary inquiry into the individual family societal and cultural variables which influence their welfare and development We would like to express both our thanks and our admiration for who not only typed the camera ready copy for each of Margaret Burritt the volumes but also served as general manager of the entire project **Radical Roots** Denise D. Meringolo, 2021-10-28 While all history has the potential to be political public history is uniquely so public historians engage in historical inquiry outside the bubble of scholarly discourse relying on social networks political goals practices and habits of mind that differ from traditional historians Radical Roots Public History and a Tradition of Social Justice Activism theorizes and defines public history as future focused committed to the advancement of social justice and engaged in creating a more inclusive public record Edited by Denise D Meringolo and with contributions from the field s leading figures this groundbreaking collection addresses major topics such as museum practices oral history grassroots preservation and community based learning It demonstrates the core practices that have shaped radical public history how they have been mobilized to promote social justice and how public historians can facilitate civic discourse in order to promote equality This is a much needed recalibration as professional organizations and practitioners across genres of public history struggle to diversify their own ranks and to bring contemporary activists into the fold Catherine Gudis University of California Riverside Taken all together the articles in this volume highlight the persistent threads of justice work that has characterized the multifaceted history of public history as well as the challenges faced in doing that work Patricia Mooney Melvin The Public Historian A Guide to Cooperative Alternatives Paul Freundlich, Chris Collins, Mikki Wenig, 1979 Role of Educational Institutions in Helping to Alleviate World Hunger United States. Heritage Knowledge in the Curriculum Joyce E. King, Ellen E. Swartz, 2018-04-27 Moving beyond the content integration approach of multicultural education this text powerfully advocates for the importance of curriculum built upon authentic knowledge construction informed by the Black intellectual tradition and an African episteme By retrieving examining and reconnecting the continuity of African Diasporan heritage with school knowledge this volume aims to repair the rupture that has silenced this cultural memory in standard historiography in general and in PK 12 curriculum content and pedagogy in particular This ethically informed curriculum approach not only allows students of African ancestry to understand where they fit in the world but also makes the accomplishments and teachings of our collective ancestors available for the benefit of all King and Swartz provide readers with a process for making overt and explicit the values actions thoughts and behaviors reflected in an African episteme that serves as the foundation for African Diasporan

sociohistorical phenomenon events With such knowledge teachers can conceptualize curriculum and shape instruction that locates people in all cultures as subjects with agency whose actions embody their ongoing cultural legacy
