The Exemplary Middle School Paul S. George, William Marvin Alexander, 2003 THE EXEMPLARY MIDDLE SCHOOL has been the standard in the field of middle school education for two decades Its comprehensive coverage remains unparalleled and the authors have included a multitude of rich real world illustrations of exemplary middle school practice This Third Edition is also the most scholarly resource on middle school education on the market with an impressive research

base **Making Connections in Elementary and Middle School Social Studies** Andrew P. Johnson, 2006 Making Connections in Elementary and Middle School Social Studies is based on the idea that students learn more and are more motivated to learn when they are able to connect their own knowledge observations ideas imagination and emotions with the content at hand This book demonstrates how personal connections can be incorporated into social studies education while meeting NCSS thematic pedagogical and disciplinary standards It is written in a very direct reader friendly style Each chapter describes a variety of practical strategies and creative activities that novice and experienced teachers can use to make social studies more interesting and to help students make meaningful personal and academic connections Each chapter contains a wealth of classroom strategies pedagogical techniques activities and lesson plan ideas that can be used to enhance learning and make lessons more interesting active and student centered The book covers the three types of standards that elementary and middle school teachers work with as they teach social studies o Thinking Ahead questions invite the reader to reflect on his her own experiences as they relate to the material covered in the next chapter These can be used as discussion points for a class or small group or simply as pre reading prompts to enhance comprehension o Teachers in Action boxes contain real life narratives from practicing teachers These cases are designed to expand upon key issues presented in each chapter Every case is accompanied by the author s personal reflection on the case These reflections are intended to give the reader an opinion against which he she can measure his her own reactions After each case the reader is prompted to think about the narrative presented and think about the way that his her reactions compare with those presented by the author o Go There boxes provide links to Web sites that offer additional resources for teachers lesson plans and other activities to enhance a social studies classroom This text is accompanied by a dynamic Instructor s Resources CD The CD includes classroom video footage that can be shown in class to illustrate the concepts presented in the book and stimulate class discussion
