Matto, Alison Rios Millett McCartney, Elizabeth A. Bennion, Dick W. Simpson, 2017 *The Teaching of Civics* William John Cooper, 1917 **Civic Education** Richard G. Niemi, Jane Junn, 2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what America s high school

seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching

An Economic Basis for the Teaching of Civics Edwin Smith Todd,1912 *Civic Pedagogies: Teaching Civic Engagement in an Era of Divisive Politics* Lauren C. Bell,Allison Rank,Carah Ong Whaley,2024 This book comes at a crucial time as the USA and countries around the world wrestle with an ongoing period of democratic backsliding that shows little sign of abating Alarming study after study shows that younger people are not convinced that democracy will endure and that a sizable number are no longer convinced that it should Especially as changing educational and political landscapes make efforts to educate for democracy both more necessary and more fraught contributors to this book offer innovative pedagogies and praxis grounded in political and civic theories aimed at strengthening democratic norms practices and institutions Teaching Civic Engagement Alison Rios Millett McCartney,Elizabeth A. Bennion,Dick W. Simpson,2013 Teaching Civic Engagement provides an exploration of key theoretical discussions innovative ideas and best practices in educating citizens in the 21st century The book addresses theoretical debates over the place of civic engagement education in Political Science It offers pedagogical examples in several sub fields including evidence of their effectiveness and models of appropriate assessment Written by political scientists from a range of institutions and subfields Teaching Civic Engagement makes the case that civic and political engagement should be a central part of our mission as a discipline **Teaching Research Methods in Political Science** Jeffrey L. Bernstein,2021-06-25 Teaching Research Methods in Political Science brings together experienced instructors to offer a range of perspectives on how to teach courses in political science It focuses on numerous topics including identifying good research questions measuring key concepts writing literature reviews and developing information literacy skills *The Teaching of Government* American Political Science Association.
