Teaching Social Behaviour David Warden, Donald Christie, 2013-11-26 First Published in 1998 This book is about the development of children's social behaviour about their abilities to engage in social interactions and to form social relationships More specifically it is about the development of good and bad or prosocial and antisocial behaviours Its aim is to contribute to children's social education by providing teachers with a set of classroom tasks and activities which will foster children's prosocial behaviour by encouraging them on a regular basis to discuss interpersonal feelings and behaviours and to consider the feelings and points of view of other children Psychology Library Editions: Social Psychology Various, 2021-07-09 Psychology Library Editions Social Psychology 30 volume set brings together an eclectic mix of titles from a wealth of authors with diverse backgrounds seeking to understand human behaviour and interaction from a socio psychological perspective The series of previously out of print titles originally published between 1908 and 1993 includes those from some authors considered to be founders of social psychology and traces the development of the subject from its early foundations **The Gender Politics Of Educational Change** Amanda Datnow, 2002-11-01 What is the relationship of gender to the micropolitics of school reform This book explores this timely research question revealing the everyday struggles that happen between different factions of teachers with different definitions of what school means for students The focus of this struggle however may not be on education but rather on such underlying issues as gender Using case studies the author shows how gender politics can be used by teachers to delay reform Teachers in the Movies Ann C.

Paietta,2014-11-18 The teaching profession has a long history in motion pictures As early as the late 19th century films have portrayed educators of young children including teachers tutors day care workers nannies governesses and other related occupations in a variety of roles within the cinematic classroom This work provides a broad index of more than 800 films both U S and foreign which feature educators as primary characters Organized alphabetically by title each entry contains a short plot summary and many also include cast and crew details A detailed subject index is also included Interactions in Early Childhood Education Alexandra C. Gunn,Claudia A. Hruska,2017-07-18 This book provides new insights into how interactions in early childhood education are being studied and into what these studies findings mean for improving the quality of early childhood education The editors examine the methods ethics practices and questions arising from such close work with children families and educators and have brought together a collection that highlights interactions research and practical implications for early childhood education and research with the ultimate aim of shaping quality practices Starting with an overview of interaction research and its pedagogical value in early childhood education the book subsequently introduces new interaction studies in early childhood from Europe and Australasia Drawing from a range of perspectives and using different conceptual and methodological tools the contributors use their interactions research to comment collectively on process quality in early childhood education and its relationship to the phenomenon of pedagogical interactions The work as a whole bridges the gap between practice and research by addressing quality interactions for early learning for practitioners and providing researchers valuable information on methods for studying interactions within the everyday contexts of early childhood education The Bloomsbury Handbook of Religious Education in the Global South Yonah Hisbon Matemba,Bruce A. Collet,2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems **Children** ,1966 **Teaching Modern Foreign Languages in Secondary Schools** Ann Swarbrick,2013-10-11 A companion to Aspects of Teaching Secondary Modern Foreign Languages this book charts developments during the past few decades of reform in MFL teaching considering the origins of these reforms and analysing

their impact on the classroom The reader is divided into four sections Controversies and disagreements is an overview of changes to MFL teaching and learning during the last thirty years MFL schools and society looks at the role of MFL in a wider social and educational context Developing strategy looks at how more effective MFL teaching might be achieved Research and the MFL teacher looks at the implications for classroom practice of recent research into MFL teaching and Learning *Education and Training in Japan* Thomas P.
