Teaching Teachers:

A Good Teacher in Every Classroom Linda Darling-Hammond, Joan Baratz-Snowden, 2005-07-28 What kind of experiences do children need in order to grow and learn What kind of knowledge do teachers need in order to facilitate these experiences for children And what kind of experiences do teachers need to develop this knowledge A Good Teacher in Every Classroom addresses these questions by examining the core concepts and central pedagogies that should be at the heart of any teacher education program and recommends the policy changes needed to ensure that all teachers gain access to this knowledge This book is the result of a blue ribbon commission sponsored by the National Academy of Education **Teach With Your Strengths** Rosanne Liesveld, Jo Ann Miller, Jennifer Robison, 2005-10 In Teach With Your Strengths you ll hear from great teachers many of whom reveal their unorthodox and sure to be controversial approaches You ll gain key insights gleaned from 40 years of research into great teaching And you ll take an online assessment that reveals your Signature Themes of talent As you read this book you ll discover your own innate talents as a teacher And you ll learn how to liberate those talents to inspire the next generation of students **BOOK JACKET Teach Like a Champion** Doug Lemov, 2010-03-04 PLEASE NOTE THIS EDITION IS CURRENTLY OUT OF PRINT THERE IS A NEW EDITION AVAILABLE TEACH LIKE A CHAMPION 2 0 PLEASE SEE THE LINK FOR THAT PRODUCT ON THIS PAGE Teach Like a Champion offers effective teaching techniques to help teachers especially those in their first few years become champions in the classroom These powerful techniques are concrete specific and are easy to put into action the very next day Training activities at the end of each chapter help the reader further their understanding through reflection and application of the ideas to their own practice Among the techniques Technique 1 No Opt Out How to move students from the blank stare or stubborn shrug to giving the right answer every time Technique 35 Do It Again When students fail to successfully complete a basic task from entering the classroom quietly to passing papers around doing it again doing it right and doing it perfectly results in the best consequences Technique 38 No Warnings If you re angry with your students it usually means you should be angry with yourself This technique shows how to effectively address misbehaviors in your classroom The print version includes a DVD of 25 video clips of teachers demonstrating the techniques in the classroom E book customers please note that details on how to access the content from the DVD may be found in the e book Table of Contents Please see the section How to Access DVD Contents What Great Teachers Do Differently Todd Whitaker, 2004 Describes the beliefs behaviors attitudes and interactions that create the best classrooms and schools And Sadly Teach Jurgen Herbst, 1989 To lend weight to his charge that the public school teacher has been betrayed and gravity to his indictment of the educational establishment for that betrayal Jurgen Herbst goes back to the beginnings of teacher education in America in the 1830s and traces its evolution up to the 1920s by which time the essential damage had been done Initially attempts were made to upgrade public school teaching to a genuine profession but that ideal was gradually abandoned In its stead with the advent of newly emerging

graduate schools of education in the early decades of the twentieth century came the so called professionalization of public education At the expense of the training of elementary school teachers mostly women teacher educators shifted their attention to the turning out of educational specialists mostly men administrators faculty members at normal schools and teachers colleges adult education teachers and educational researchers Ultimately a history of the neglect of the American public school teacher And Sadly Teach ends with a plea and a message that ring loud and clear The plea that the current reform proposals for American teacher education the Carnegie and the Holmes reports be heeded The message that the key to successful school reform lies in educating teacher s true professionals and in acknowledging them as such in their classrooms

A passion for teaching [electronic resource] Christopher Day,2004 This book is a celebration and an acknowledgement of the various forms of intellectual physical emotional and passionate endeavours in which teachers at their best engage Christopher Day demonstrates that teachers with a passion for teaching are those who are committed enthusiastic and intellectually and emotionally energetic in their work with children young people and adults alike Having this passion for helping pupils to learn has recently been identified as one of the four leadership characteristics mentioned in the HayMcBer Report on effective teachers Day recognises that passionate teachers are aware of the challenge of the broader social contexts in which they teach have a clear sense of identity and believe they can make a difference to the learning and achievement of all their pupils Offering a refreshing and positive view A Passion for Teaching is a contribution to understanding and improving the teaching profession and brings new insights to the work and lives of teachers It is written for all teachers teacher educators and student teachers who have a passion for education who love learners the learning life and the teaching life
