BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

*Parenting For Dummies* Sandra Hardin Gookin,Dan Gookin,2011-05-09 Written by parents for parents We humans are pretty clever We ve mastered fire invented the wheel calculated the age of the Universe sent people to the Moon built machines that think and cracked the genome So you d think that with all our smarts somebody would ve come up with a surefire formula for raising kids Maybe that s because every child like every parent is an individual and no two parent child relationships are ever the same So you can give up any notions of being a perfect parent But you can learn to keep the big mistakes to a minimum and make the parenting enterprise easier and more rewarding for your children and you Which is where this book comes in Whether you re child is a newborn a teen or somewhere in between *Parenting For Dummies* gives you the scoop on parenting basics From dealing with a crying baby and potty training to building self esteem and talking with them about sex it offers a gold mine of up to date advice and guidance on how to Learn to communicate with your kids Develop a good relationship with your kids Keep your kids safe and healthy Help your kids grow up to be good people Keep your cool and control their behavior Discipline constructively and with a minimum of stress Build self esteem in your children Avoid committing the parenting sins your parents taught you Experts Sandy and Dan Gookin she s the parenting expert for *Parents Magazine* and *Working Mother Magazine* and he s a father of four avoid the psychological hype and medical terminology and give you the straight poop on all aspects of child rearing including Speaking and listening to kids The importance of being consistent Keeping a sense of humor Dealing with babies Childhood growth and development Health and nutrition Kids changing physical needs Developing a good person *Parenting For Dummies* gives you the know how and skills you need to be the parent of healthy happy kids
