TEACHING PHYSICAL EDUCATION IN PRIMARY SCHOOL. Pamela E. FARLEY,      *Safety and Risk in Primary School Physical Education* John Severs, 2003-12-16 Physical education and sport in schools is undergoing renewed emphasis and the primary sector key stages are rightly seen as fundamental elements in the new initiatives The majority of primary school teachers are non specialists and there is therefore a particular need for information on safe planning and practice in physical education to be designed to meet their specific requirements Safety is a central issue in P E and as risk assessment is now a statutory part of Health and Safety at Work requirements it is vitally important that all staff have a clear understanding of their responsibilities As all schools are now obliged to undertake risk management this book addresses a very real need

Safety and Risk in Primary Physical Education gives a comprehensive coverage of all aspects of safety in P E in primary schools including legal responsibilities policies on good practice and risk pupil readiness equipment and the environment each subject area included in the National Curriculum gymnastics games dance athletics outdoor and adventurous activities and swimming checklists of key points for safe practice
