and how to s to help your teaching be the best Jeff Young Prestonwood Church Dallas TX This study is not an examination of what Jesus taught It is an examination of how Jesus taught In this book you will learn Why is story such an effective way to teach Where to find great stories It is easier than it has ever been What makes a great story How many times did Jesus ask questions I was shocked by the answer What did Jesus expect of his disciples and how does expectation affect teaching Jesus wasn't always meek and mild and if you want to teach like Jesus you should raise your voice from time to time Teaching is not just about teaching It is also about relationship Love like Jesus Jesus teaching was not always clear We are still fighting about it today Why is that Why wasn't Jesus clearer when he taught Jesus often taught in apparent contradiction He told us to let our light so shine before men and to be careful not to do our acts of righteousness before men He made these two statements in one sermon What do we learn about teaching from that Jesus teaching was shocking to his original audience Sometimes it shocks us This book is born out of a careful study of the life of Christ taken from the gospels in the original Greek Background information is from respected commentaries as well as the latest brain science on how we learn This book has one simple goal Teach like Jesus *Jesus's epithets "Teacher" and "Prophet": a cognitive semantics approach to social roles* Aurel-Onisim LEHACI,2024 The book explores the complementarity of these roles highlighting their portrayal of Jesus's key attributes and his dual human divine identity Cognitive linguistics provides the perspective for delving into these social roles emphasizing their significance in understanding the complexity of Jesus's character It shows that Jesus embodies two complementary epithets teacher and prophet representing distinct approaches to knowledge transmission either through human activity or divine intervention The book illustrates the intricate complexity of Jesus's character proving that Jesus not only fulfills but surpasses typical expectations in both roles consistently revealing his dual identity and the permanent truth of both epithets **Teaching As Jesus Taught** RoyCheck B.
