microfilm from University Microfilms Early Childhood Jewish Education Sigal Achituv, Meir Muller, Shelley T. Alexander, Hanan Alexander, 2022-12-29 Early Childhood Jewish Education explores some of the fundamental questions of early childhood Jewish education in today's societal moral and educational debates. The book examines the challenges of transmitting Jewish heritage using developmentally appropriate pedagogy in the context of modern democratic society through the lenses of multiculturalism, gender awareness, and constructivism. Researchers from Israel and the United States consider some of the core Jewish foundational subjects including teaching the Bible, holidays, and ceremonies. Hebrew, Jewish literature, and spirituality, as well as leadership issues in relation to these contemporary debates. The book represents the ongoing collaboration of leading researchers from Israel and the United States who have worked together since 2010 as the International Research Group on Jewish Education in the Early Years **Library of Congress Subject Headings** Library of Congress. Roberts, 2009-11 This book provides pastors, professional teachers, students of religious education, or Christian education, theological students, and Sunday school teachers with methods of teaching the faith today and opportunities to reflect critically on the methods and approaches they use in the classroom in the changed cultural context of our postmodern world. The book is the result of years of practical experience in the field of Christian education as a Director of Religious Education and head of a team involved in providing religious education training and producing teaching materials and textbooks for Sunday school and professional teachers of Christian education. This book proposes the Herald model of church and model of Christian education as a very helpful model for postmodern culture **Proceedings of the Sixth International Conference on Language, Literature, Culture, and Education (ICOLLITE 2022)** Nuria Haristiani, Yulianeta Yulianeta, Yanty Wirza, Wawan Gunawan, Ari Arifin Danuwijaya, Eri Kurniawan, Dante Darmawangsa, Suharno Suharno, Nia Nafisah, Ernie Dyah Imperiani, 2023-02-10 This is an open access book. The rapid advancement of technology has created new civilization in this digital era which affects almost all aspects of life, including language, literature, culture, and education. The digital era brings opportunities as well as challenges that people have to deal with. Thus, some adjustments need to be done in order to keep up with those changes. Studies on language, literature, culture, and education need to be continuously conducted and developed to revitalize those aspects in facing the dynamic changes of the digital era. In relation to this, Faculty of Language and Literature Education, Universitas Pendidikan Indonesia (FPEBS UPI) hosts this year's International Conference on Language, Literature, and Culture (ICOLLITE) with the theme "Revitalization of Language, Literature, Culture, and Education in the Digital Era" as a forum for experts and professionals to share their research ideas and experiences on this issue. Presenters and participants are welcome to discuss and disseminate current issues and offer solutions to the challenges of our time. Discussions on current trends in digital literacies are expected to pave way to learn from each other for betterment as one big society of humankind, regardless of their social
