Teachings Of Mormonism:

Everything You Ever Wanted to Know About Mormonism John Ankerberg, John Weldon, 2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines

The Foundations of Mormonism William Earl La Rue, 1919 [The Book of Mormon](#), 2011-04-11 An inside look at the foundational sacred text of one of the world's youngest and fastest growing religions The Book of Mormon stands alongside the Bible as the keystone of The Church of Jesus Christ of Latter-day Saints LDS Church Mormonism Translated by the prophet Joseph Smith from ancient writings inscribed on golden plates the Book of Mormon is an account of people living in the Western Hemisphere in a timeline that parallels that of the Bible It covers a thousand years of loss discovery war peace and spiritual principles that focus on the teachings of Jesus Christ outlining a plan for salvation and the responsibilities we must assume to attain it The Book of Mormon Selections Annotated Explained explores this sacred epic that is cherished by more than twelve million members of the LDS church as the keystone of their faith Probing the principal themes and historical foundation of this controversial and provocative narrative Jana Riess focuses on key selections that offer insight into contemporary Mormon beliefs and scriptural emphases such as the atonement of Christ the nature of human freedom the purpose of baptism and the need for repentance from sin She clarifies the religious political and historical events that take place in the ancient communities of the Book of Mormon and their underlying contemporary teachings that serve as the framework for spiritual practices that lie at the core of Mormon life Now you can experience this foundational sacred text even if you have no previous knowledge of Mormonism This SkyLight Illuminations edition presents the key teachings and essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830 **"This Is My Doctrine": The**

Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present He describes how

Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions *What Every Mormon (and Non-Mormon) Should Know* Edmond C. Gruss, Lane A. Thuet, 2006

Crash Course in Mormonism Volker Heide, 2019-08-25 This book is designed to help you better understand the teachings of Mormonism It called a crash course because it covers a lot of ground While this overview is comprehensive all the chapters flow together to give you a good insight into LDS teaching and practices All of us have Mormon friends coworkers or neighbors How do we effectively share our faith with them The first step is to try to understand their teaching and way of thinking You need to try to understand their world and way of life Then after establishing a relationship of friendship and trust and if the right opportunity arises we can discuss what we believe about God Jesus and the Bible This book also presents an overview of the basic teachings of the Bible especially as it relates to specific doctrines of the LDS If you want to share your faith you must first be well grounded in the Christian faith Numerous passages are given to show what the Scriptures teach about God humanity law gospel the Bible and Jesus Christ the Son of God Please note that these Bible verses are not given so that you might bash a Mormon over the head with them The LDS are very offended by Bible bashing as they call it This is when a Christian starts quoting Bible passages to prove that Mormon theology is all wrong This never works well A Mormon will take this as a personal attack on themselves and their church Their defenses go up and they immediately shut down They feel like we are using the Bible to bash their faith and integrity Many well meaning people use this confrontational approach of trying to argue doctrine with members of the LDS church especially those missionaries that might visit your home However it rarely works In fact it does more harm than good The discussions of the Bible verses in this book seek to deepen your understanding of the Christian faith You need to fully understand and appreciate the good news of the gospel You need to have a living and vibrant relationship with the Living God Appreciate the incredible power of God s grace and the forgiveness of sins that comes through the cross and resurrection of our Lord Realize that God the Father loves you unconditionally Experience for yourself that peace which passes all understanding Then you can be prepared to discuss and explain theological points in a loving and winsome manner when that opportunity arises This is the best way to talk about God with your LDS friends As Peter tells us But in your hearts set apart Christ as Lord Always be prepared to give an answer to everyone who asks you to give the reason for the hope you have But do this with gentleness and respect

Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism, *Introducing Christianity to Mormons* is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions, contrast points between Mormonism and Christianity that illuminate God's truth, biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church. Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community.

How to Witness to a Mormon Jerry Benson, Dianna Benson, 2019-08-12 Mormonism is one of the fastest growing religions in the United States. Because Mormons use Christian terminology, many are stymied in their ability to effectively witness to them. *How to Witness to a Mormon* is a handy eBooklet that defines documents and refutes basic Mormon teachings. Jerry and Diana Benson offer practical tips on how to approach witnessing to a Mormon and provide ample information from Mormon sources.

What Do Mormons Really Believe John Ankerberg, John Weldon, 2011-08-01 Mormons say they are Christians, but are they? Do they believe in the same Bible, the same God, and the same Jesus that Christians follow? This book answers these questions and more: Was God ever a man? Were Jesus and Lucifer brothers? Is Scripture still being written? Are we saved by what we do? Did Joseph Smith ever give false prophecies? The meaning of terms Mormons use, as well as their views on the Bible, reveal the huge chasm between what Mormons and Christians believe. This book will help you share the truth with Mormons that come to your door.

The Vitality of Mormonism James Edward Talmage, 1919 *Mormonism* Kurt Van Gorden, 1995 This volume of the Zondervan Guide to Cults and Religious Movements discusses Mormonism and its differences and similarities to biblical Christianity.

Mormonism: The Basics John Charles Duffy, David J. Howlett, 2016-10-26 Although often regarded as marginal or obscure, Mormonism is a significant American religious minority, numerically and politically. The successes and struggles of this U.S.-born religion reveal much about how religion operates in U.S. society. *Mormonism: The Basics* introduces the teachings, practices, evolution, and internal diversity of this movement, whose cultural icons range from Mitt Romney to the Twilight saga, from young male missionaries in white shirts and ties to polygamous women in pastel prairie dresses. This is the first introductory text on Mormonism that tracks not only the mainstream LDS but also two other streams within the movement: the liberalized RLDS and the polygamous Fundamentalists, thus showing how Mormons have pursued different approaches to defining their identity and their place in society. The book addresses these questions: Are Mormons Christian, and why does it matter? How have Mormons worked out their relationship to the state? How have Mormons diverged in their thinking about

gender and sexuality How do rituals and regulations shape Mormon lives What types of sacred spaces have Mormons created What strategies have Mormons pursued to establish a global presence Mormonism The Basics is an ideal introduction for anyone wanting to understand this religion within its primarily American but increasingly globalized contexts **The**

Mormon Faith of Mitt Romney Andrew Jackson,2012-01-18 In this timely book the author uncovers the history teachings and practices of the Latter day Saints compares them to evangelical Christian beliefs and challenges former Massachusetts governor and presidential candidate Mitt Romney to be open and transparent about his beliefs and its implications if he is elected president **What's Wrong with Mormons? - a Good Tree Cannot Bring Forth Evil Fruit** B.
