Beyond the Self Thich Nhat Hanh,2009-12-10 One of the Buddha's most central ideas is the importance of transcending either or thinking to avoid the trap of extremist views In *Beyond the Self* Thich Nhat Hanh suggests that we can find tranquility by embracing all aspects of life instead of focusing on what we like and dislike The book contains Nhat Hanh's original translation of the Sutra on the Middle Way as well as his commentary on how we can use this teaching to better understand how to navigate our difficulties and find peace of mind By changing how we see the world *Beyond the Self* helps us transform ourselves **The Power of Mind** Khentrul Lodrö T'hayé Rinpoche,2022-09-06 A modern guide to lojong ancient Buddhist techniques for transforming all circumstances including pain anxiety and stress into mental well being that

benefits us and the people around us We've all heard platitudes about cultivating love and compassion but how can we actually develop these qualities in ourselves and crucially share them in our world The Power of Mind provides the proven path of lojong or mind training for changing our experience from the inside out Regardless of what's happening in our lives Khentrul Rinpoche teaches that our route to freedom lies in our minds A thousand years ago the Indian saint Atisha risked his life to seek out lojong teachings in Indonesia and then brought them to Tibet where they flourished and spread to the rest of the world This book introduces those teachings the Seven Key Points of Mind Training which have been passed down from teacher to student for centuries Khentrul Rinpoche was inspired by his own teachers who like alchemists were able to follow these techniques during the Cultural Revolution and transform their immense suffering into something positive The Power of Mind guides the reader through these transformative practices one by one from recognizing the value of our human life to overcoming the sources of suffering together with meditation advice for incorporating these insights into our daily lives This wisdom is accessible to everyone whether Buddhist or not As Khentrul Rinpoche states Peace and happiness can be attained but not by searching for something in the outside world They start within us then extend out to the entire globe
