Management Wisdom From the New York Yankees' Dynasty Lance A. Berger,2005-05-27 Since the 1920 s the New York Yankees have become the most successful sports franchise in history because of the way they manage their talent and their organization So how do they do it The Yankees sustained success can be traced to 14 core management principles applicable to any business operating today These principles embrace cultivation of home grown talent creation of a culture that demands excellence pursuit and introduction of the most talented players from outside the organization promotion of a diversified workforce and utilization of a productive farm system as currency in making talent deals **Battlegroup!** Jim Storr,2021-11-03 What can we learn from the unfought battles of the Cold War Could any supposed British superiority at the unit level or superior American equipment and technology have as much effect on a possible Warsaw Pact attack as the Bundeswehr s apparent mastery of formation tactics The Cold War dominated the global events for over 40 years Much of the

world genuinely believed that a nuclear war might break out at any moment Millions of men were involved National budgets strained to equip and sustain them Much of Europe had to endure conscription tank convoys clogging up the roads low flying jet aircraft and large scale mobilization exercises But what do we really know about the Cold War More importantly what can we learn from it Battlegroup investigates the unfought land battles of the Cold War on the Central Front It focusses on the 1980s It looks solely at high intensity conventional warfare largely from NATO s perspective It concentrates on the lower tactical levels from company to brigade or perhaps division It considers the tactics organization and equipment and of the American British West German French and Soviet armies The book discusses what battles would have been fought then how they would have been fought and lastly what we can learn from that The first section looks at the strategic and operational setting and the armies involved The second section looks at the components of a land force how those components were organized and would fight and assembles them into battlegroups brigades and divisions Battlegroup then steps through the tactics of land warfare delay defense and withdrawal advance attack and counterattack fighting in woods built up areas and at night and air support to land operations The final section of the book illustrates some of the possible early engagements of any war on the Central Front It then draws out the major observations and conclusions Battlegroup relies heavily on two previously untapped sources virtually unknown to English speaking audiences They explain much of the Bundeswehr s highly individual approach to defeating a potential Warsaw Pact attack This is not a counterfactual history It does not attempt to say who would have won the Third World War It explodes some myths It will be uncomfortable reading for some and contentious in places Battlegroup will be essential reading for anyone interested in warfare of the last decade of the Cold War be it as a professional an academic or a wargamer

The Bear Marches West Russell Phillips, NATO kept the Warsaw Pact behind the Berlin Wall until its dissolution but what if it hadn t The Bear Marches West contains 12 wargame scenarios set during a fictional Warsaw Pact invasion of West Germany in the 1980s All the scenarios are based on battles depicted in well known novels and are designed to be used with whatever rules the players wish Each scenario includes the battle s context weather conditions deployments force lists and a colour map The scenarios range in scale from small skirmishes with a company on each side to large engagements with Soviet regiments bearing down on smaller but better equipped NATO units

The Man from Glengarry A Tale of the Ottawa Ralph Connor,2018-11-14 Ranald Macdonald s roots are in the forest of Ontario s easternmost county and his character was forged in the small Presbyterian church near his home When he leaves to test his idealism and faith in the rough world of the lumber business he brings pride to the minister s wife who was the model for his life Met with international acclaim when published in 1901 The Man from Glengarry is a tale of courage and an exciting portrait of life in 19th century Canada Goodreads

What If the Babe Had Kept His Red Sox? Bill Gutman,2008-06-17 In this thought provoking alternative view of history Bill Gutman spins out the maybes and what ifs that might have followed if some of the most iconic sports moments of all time had gone another way He

imagines a world in which Lombardi returns a hero to take the helm of the New York Giants resulting in a Packers team that never achieves dynasty status and a Giants team that stumbles to glory late in the decade a world where Muhammad Ali can't struggle to his feet after a huge blow from Liston and winds up a floundering middle weight who never makes it big and yes a world where Babe Ruth never dons Yankee pinstripes but stays in Boston and out of the record books With a careful eye for detail and a handful of bold predictions Gutman attacks the sports history books with gusto outlining an alternate reality that will change the way fans look at sports forever

An Ugly Angel Charles A. Robinson, 2019-12-19 People react emotionally different to the loss of relationships We adapt to people moving or dying in various ways During a conflict or military war the loss of those we bonded with leaves a void Some grieve some go into denial other become aloft A young man goes to war and his emotional mindset is tested A test that can affect his life

The Rough Guide to USA Samantha Cook, Greg Ward, Tim Perry, Rough Guides (Firm), 2004 The Rough Guide to the USA is the most comprehensive and colourful guide to the fifty states available There are lively accounts of every region and attraction from the bright lights of Broadway to the vast open plains of Wyoming The guide gives refreshingly opinionated reviews of the established sights and landmarks as well as uncovering many of the lesser known gems allowing the visitor to make the most of their trip There are feature boxes that provide information on a variety of subjects from the Delta blues to the geology of the Grand Canyon There are also maps and plans to help you navigate around the major attractions inner city streets or interstates

The Lean Years of the Yankees, 1965-1975 Robert W. Cohen, 2015-01-27 The New York Yankees history is filled with great achievements outstanding performances and unprecedented success For more than 40 years from 1921 to 1964 the Yankees and their fans had much to cheer about the team won 29 pennants and 20 world championships and featured such greats as Babe Ruth Lou Gehrig Joe DiMaggio Mickey Mantle Bill Dickey Yogi Berra and Whitey Ford Yankee haters waited endlessly for the fall of the seemingly unbeatable team from New York and finally in 1965 the Yankees began to flounder The team didn't win anything for the next eleven years Each losing season from 1965 through 1975 is fully covered in this book The author maintains that in their long losing streak and mediocrity the Yankees somehow acquired a more endearing quality that had not previously existed The team that had once offered its fans Ruth Gehrig DiMaggio Mantle and other greats now offered Bill Robinson Danny Cater Jerry Kenney and Jake Gibbs and standouts Bobby Murcer Mel Stottlemyre Thurman Munson and Roy White men who knew the Yankees long and glorious history but also knew first hand the decade of frustration and disappointment that Yankees players and fans had to live through
