Facilitator's Guide to Participatory Decision-Making Sam Kaner, 2014-04-28 Unleash the transformative power of face to face groups. The third edition of this ground breaking book continues to advance its mission to support groups to do their best thinking. It demonstrates that meetings can be much more than merely an occasion for solving a problem or creating a plan. Every well facilitated meeting is also an opportunity to stretch and develop the perspectives of the individual members, thereby building the strength and capacity of the group as a whole. This fully updated edition of The Facilitator's Guide to Participatory Decision Making guides readers through the struggle and the satisfaction of putting participatory values into practice, helping them to fulfill the promise of effective group decision making. With previous editions already embraced by business and community leaders and consulting professionals around the world, this new book is even more insightful and easy to use. New for this edition: 60 pages of brand new skills and tools. Many new case examples. Major expansion and reorganization of the advanced sections of the book. New chapter: Teaching A Group About Group Dynamics. Doubled in size. Classic Facilitator Challenges. Substantially improved. Designing Realistic Agendas, now three chapters with wise, insightful answers to the most vexing questions about meeting design.

From Chaos to Successful Distributed Agile Teams Johanna Rothman, Mark Kilby, 2019-03 Distributed agile teams have a terrible reputation. They don't deliver on time and too often they don't deliver what the customer needs. However, most agile teams have at least one remote team member. And agile approaches are here to stay. Don't blindly apply agile practices designed for collocated teams. Instead, learn to use three mindset shifts and the agile and lean principles to create your successful distributed agile team. Use the tips and traps to help your team succeed. Leave the chaos of virtual teams behind. See how to help your
