**Madonnaland** Alina Simone, 2016-03-01 When Alina Simone agreed to write a book about Madonna she thought it might provide an interesting excuse to indulge her own eighties nostalgia Wrong What Simone discovered instead was a tidal wave of already published information about Madonna and her own ambivalence about maybe even jealousy of the Material Girl s overwhelming commercial success With the straight ahead course stymied Simone set off on a quirky detour through the backroads of celebrity and fandom and the people who love or loathe Madonna In this witty sometimes acerbic always perceptive chronicle Simone begins by trying to understand why Madonna s birthplace Bay City Michigan won t even put up a sign to celebrate its most famous citizen and ends by asking why local bands who make music that s authentic and true can disappear with barely a trace In between she ranges from Madonna fans who cover themselves with tattoos of the singer s face and try to make fortunes off selling her used bustiers and dresses to Question Mark and the Mysterians one hit wonders best known for 96 Tears and Flying Wedge a Detroit band that dropped off an amazing two track record in the office of CREEM magazine in 1972 and vanished until Simone tracked it down Filled with fresh insights about the music business fandom and what it takes to become a superstar Madonnaland is as much a book for people who like Simone prefer dark rooms coffee and state subsidized European films filled with existential despair as it is for people who can t get enough of Madonna

Rowland,2019 A study of place and creative inspiration **Anarchafeminism** Chiara Bottici,2021-11-18 How can we be sure the oppressed do not become oppressors in their turn How can we create a feminism that doesn t turn

into yet another tool for oppression. It has become commonplace to argue that in order to fight the subjugation of women we have to unpack the ways different forms of oppression intersect with one another: class, race, gender, sexuality, disability, and ecology to name only a few. By arguing that there is no single factor or force explaining the oppression of women, Chiara Bottici proposes a radical anarchafeminist philosophy inspired by two major claims: that there is something specific to the oppression of women and that in order to fight that we need to untangle all other forms of oppression and the anthropocentrism they inhabit. Anarchism needs feminism to address the continued subordination of all women, but feminism needs anarchism if it does not want to become the privilege of a few. Anarchafeminism calls for a decolonial and deimperial position and for a renewed awareness of the somatic communism connecting all different life forms on the planet. In this new revolutionary vision, feminism does not mean the liberation of the lucky few, but liberation for all living creatures from both capitalist exploitation and an androcentric politics of domination. Either all or none of us will be free.
