overthrow of the Czar through Nazi Germany then it's back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time **Operative**

**Lessons from My Mother's Kitchen** Ranjini Rao,2020-10-20 When I lost my mother to a long and painful battle with cancer four years ago I was thousands of miles away alone and thick with grief At first everything seemed distant and pale and I went through my days like a robot lead footed and sandy eyed trying to make sense of each moment It took a while but I came to understand that the only way out was through At some point I submitted to the dagger of sorrow as it carved out a hollow in my heart turning me into some sort of an unself conscious sculpted form I re lived all the memories of my mother and gleaned new lessons from them Through the eighteen essays in this book I recount how her food music and stories all the things that she birthed in her spacious sun dappled kitchen helped me cope with long distance grief and taught me to look at life with renewed hope I also present some special recipes straight from

Amma's kitchen and a bunch of kitchen poems in her honour finding her in such things as the sizzling of spices the bubbling of flavourful broths or a melodious Raga swirled into my cup of coffee My wish is that this book will come to stand for all this and more a celebration of life and a quiet acceptance of death I hope that it will inspire and touch many those who are going through rough times or those who are simply living the ordinary life for often we forget that there's so much magic in it
