Hekma,A. Giami,2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change , Sexuality, Eroticism, and Gender in French and Francophone Literature Aaron Emmitte,Melanie Hackney,2011-07-12 This study explores the diverse representations of sexuality eroticism and gender as expressed in French and Francophone literary thought both past and present From Fran oise de Graffigny s epistolary refusal of eroticism to the challenge of nineteenth century notions of rape in the novels of Emile Zola Victor Hugo and Eug ne Sue to desire and eroticism as social taboo in the surrealist works of Georges Bataille and Luis Bu uel its historical focus demonstrates that issues of sexuality eroticism and gender existed at the heart of France s literary tradition long before they became a staple in its universities Taking a more contemporary view it examines the notion of criture f minine in such authors as Monique Wittig Anne F Garr ta Nina Bouraoui Assia Djebar and Luce Irigaray and also challenges accusations of misogyny in the works of Michel Houellebecq While glimpsing the evolution of challenges to and conceptions regarding sexuality eroticism and gender each chapter s author focuses on language as both the obstacle and catalyst for change For example feminist strategies to avoid linguistic gender markers that subvert the phallogocentric paradigm literary portrayals of rape as a means to affect French penal code and use of the female body as language demonstrate that these notions are not only shaped by language but that language represents the key to deconstructing and redefining them Whether picking this up to read about familiar authors such as Hugo and Djebar or discovering Graffigny and Houellebecq for the first time each chapter promises to shed new light on its subject matter in regards to sexuality eroticism and or gender National Library of Medicine Current Catalog National Library of Medicine (U.S.),1965 Current Catalog National Library of Medicine (U.S.),1970 First multi year cumulation covers six years 1965 70 **National Library of Medicine Catalog** National Library of Medicine (U.S.),1966 **Erotisme et ordre moral** ,2005 Films and Filming ,1964 **Sexologie contemporaine** Claude Crépault,Joseph Josy Lévy,1980-12-31T19:00:00-05:00 Soucieux de dresser un tableau des grandes probl matiques sexologiques un groupe de professeurs universitaires a pr par ce recueil de textes fondamentaux qui refl te l tat des connaissances scientifiques en sexologie Un ouvrage de r f rence pour toute personne cherchant rassembler les pi ces de l nigmatique puzzle de la sexualit humaine Sight and Sound ,1961 *Grand Hôtel* Nelson Frédéric Vitoux,2010-01-13 Les pi ces taient dispos es devant moi le docteur Georges Vitoux mon grand p re qui avait conserv des n gatifs sur verre de clich s pornographiques la veuve Lambel dans son h tel de la rue Le Peletier son fr re et ses douteuses pratiques photographiques la
