The Guide To The Wines Of Burgundy:

Guide to the Wines of Burgundy Graham Chidgey, 1977 **The International Wine and Food Society's Guide to the Wines of Burgundy** Harold Waldo Yoxall, 1968 *Burgundy* Robert M. Parker, 2010-03-02 Burgundy is a fitting monument to the region that is capable of producing in Parker's words the world's most majestic glorious and hedonistic red and white wine. With the publication of his classic volumes *Bordeaux* and *The Wines of the Rhone Valley* and *Provence* together with the several editions of his *Wine Buyer's Guide* Robert M. Parker Jr. has emerged as America's most influential and articulate authority on wine. Whether he writes of the fabled French chateaux or of lesser known growers and producers from around the world his books have proved invaluable reading for connoisseurs and neophytes alike for they contain not only hard headed frank analysis but an undisguised and positively contagious enthusiasm for his subject. In this book his most ambitious and comprehensive to date Parker offers an extraordinary guide to the growers appellations and wines of Burgundy the viticultural region in eastern France that produces the most exotic sought after expensive and frequently least understood wines in the world. Like its predecessors *Bordeaux* and *The Wines of the Rhone Valley* and *Provence* Parker's *Burgundy* has all the makings of a classic. It is a beautifully produced book and it boasts more than thirty specially made color maps with those depicting the individual appellations drawn in such exquisite detail that each and every vineyard is visible. Burgundy is a fitting monument to the region that is capable of producing in Parker's words the world's most majestic glorious and hedonistic red and white wine. *Burgundy* Benjamin Lewin MW, 2018-01-09 *The Intelligent Guides to Wines and Top Vineyards* focus on classic wine producing regions. This guide discusses the wines of Burgundy focusing on the Cote de Beaune and Cote de Nuits. The guide is divided into two parts. There are detailed profiles of the leading producers showing how each winemaker interprets the local character and mini profiles of other important estates. More than 150 producers are profiled. Description of each area includes its geography the grape varieties that are grown how these relate to the styles of wines that are produced wines from entry level to icons currents trends and how styles are evolving. References wines are recommended for each region. The guide is illustrated with photographs of each area topological maps to show the terrain road maps to identify the locations of estates and information on recent vintages. Profiles range from producers who may dominate an appellation to small estates that define the cutting edge. The profiles identify the best of tradition and innovation in the region. Each estate profile describes the producer's aims for his wines and the personality and philosophy behind them.
