The Hands Of The South:

The Hand of the Past in Contemporary Southern Politics James M. Glaser, 2008-10-01

A central story of contemporary southern politics is the emergence of Republican majorities in the region's congressional delegation. Acknowledging the significance and scope of the political change, James M. Glaser argues that nevertheless strands of continuity affect the practice of campaign politics in important ways. Strong southern tradition underlies the strategies pursued by the candidates, their presentational styles, and the psychology of their campaigns. The author offers eyewitness accounts of recent congressional campaigns in Texas, Mississippi, Virginia, North Carolina, and South Carolina. In the tradition of his award-winning book *Race, Campaign Politics, and the Realignment in the South*, Glaser captures the stuff of politics: the characters, the images, the rhetoric, and the scenery. Painting a full and fascinating picture of what it is like on the campaign trail, Glaser provides wide-ranging insights into the ways that the hand of the past reaches into the southern present.

Putting Their Hands on Race Danielle T. Phillips-Cunningham, 2020 Putting Their Hands on Race is an intersectional and comparative labor history of southern African American and Irish immigrant women who labored as domestic workers after migrating to northeastern cities during the nineteenth and twentieth centuries.

The Civilization of the Old South Clement Eaton, 2021-12-14 Exhibiting a clear straightforward style, his many works are marked by a comprehensiveness and a catholicity of view. There is hardly an element of southern thought or society, hardly a major movement of any kind or an event of any significance that has escaped his penetrating thought and discerning analysis. This volume of Eaton's selected writings forms a rich and provocative mosaic of southern life from the years of Thomas Jefferson to the close of the Civil War. These selections perceptively edited by Albert D. Kinvan show the wide range of Eaton's interests, including the impact of slavery, the influence of religion, and the art of politics, and they demonstrate the depth of his insight into the civilization of the Old South.
