**Bible Study Participant Workbook** Hayley DiMarco, 2017-05-16 As women we often are overwhelmed by the demands and circumstances of life resulting in stress fear worry impatience fatigue frustration and even depression The truth is that we were created to be overwhelmed not by life but by God When we learn to be overwhelmed by God the fruit in our lives goes from rotten to fragrant filling our days with peace hope love and joy In this six week Bible study Hayley DiMarco walks us through the story of Mary the mother of Jesus who knew what it was like to be overwhelmed As we explore Mary's life from the news that she would give birth to God's Son to the day she witnessed his tragic death on the cross we find ourselves on a journey from overwhelming joy to overwhelming sorrow and back again learning along the way how to be consumed with the mission of God rather than the mission of me Each week begins with an in depth exploration of a part of Mary's story with the remaining days providing practical and biblical application related to a particular aspect of life that can make us feel overwhelmed As we dig into Scriptures in both the Old and New Testaments Hayley shows us how to find freedom by becoming overwhelmed instead with who God is learning to treasure in our hearts what we know about God so that we can hold onto faith even when it seems that all is lost Get ready to discover how to experience the overwhelming grace and love

of God The participant workbook includes five days of lessons for each week combining stories from Hayley study of Scripture with personal reflection application and prayer Available components for the study each available separately include a Participant Workbook with five days of lessons per week Leader Guide DVD with six 20 25 minute sessions with closed captioning and boxed Leader Kit containing one of each component

Conquering the Game of Control Craig Green,2012-02-21 Quit playing the game All humans by nature are doomed to play an unwinnable game which looks remarkably like the harmless game of Rock Paper Scissors but is in reality played out with the weapons of domination manipulation and intimidation For those who want to learn to let go of the reins of control so they can be put in the hands of one who is infinitely more capable the Lord this book will be both enlightening and beneficial Like the game of Rock Paper

Scissors there are no real winners only victims who feel crushed cut or covered by the process or ominously empowered by it What is the solution To quit playing the game altogether How By recognizing and repenting of the game playing God does not play the game indeed control is not in Him at all Through Him humans can be transformed until the game of control gives way to a life of mutual submission the dance of relationship rather than the dissonance of control      **Annual Interpretative Expository 2020-2021** Church Of God In Christ Publishing House,2020-12-04 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson      **Toolbox for Discipleship and Growth** Jan Van Haga,2019-01-10 Do you find yourself struggling in relationships Do you long to have peace and freedom in your life Does God really have a plan and purpose for you You will gain confidence to move forward in God s call for your life as you apply the rich biblical insights gleaned from Jan s experiences as a Christian counsellor Full of practical tools and strategies this book will guide you in the right direction as you learn how to give God access to your whole being forgive yourself and others and discover the joys of living free in Christ      **Telling God's Stories with Power** Paul F.
