**Forgiveness and Reconciliation** Ani Kalayjian,Raymond F. Paloutzian,2009-07-21 We all long for peace within ourselves families communities countries and throughout the world We wonder what we can do about the multitude of con icts currently wreaking havoc across the globe and the continuous reports of violence in communities as well as within families Most of the time we contemplate solutions beyond our reach and overlook a powerful tool that is at our disposal forgiveness As a genocide survivor I know something about it As the genocide unfolded in Rwanda in 1994 I was devastated by what I believed to be the inevitable deaths of my loved ones The news that my parents and my seven siblings had indeed been killed was simply unbearable Anger and bitterness became my daily companions Likewise I continued to wonder how the Hutus and Tutsis in Rwanda could possibly reconcile after one of the most horrendous genocides of the 20th century It was not until I came to understand the notion of forgiveness that I was able to see the light at the end of the tunnel Common wisdom suggests that forgiveness comes after a perpetrator makes a genuine apology This wisdom informs us that in the aftermath of a wrongdoing the offender must acknowledge the wrong he or she has done express remorse express an apology commit to never repeating said harm and make reparations to the extent possible Only then can the victim forgive and agree to never seek revenge
