The Hell Bent Kid:

The Hell Bent Kid Charles O. Locke, 2015-07-07 Hailed by the Western Writers of America as one of the top twenty five Westerns ever written The harrowing story of an innocent young man pursued across west Texas by a relentless posse A crack shot more skilled with a rifle than are men twice his age eighteen year old Tot Lohman has no intention of using his genius for evil But when a fight erupts at a schoolhouse dance Lohman is forced to defend himself and a young rancher named Shorty Boyd winds up dead The Boyds are numerous powerful and vicious and they want revenge With no one else to turn to Lohman sets out across canyon country to reunite with his ailing father in New Mexico Territory The journey will be long hot and perilous and to survive it this mild mannered boy must become the cold blooded killer he never wanted to be Based on real events The Hell Bent Kid is a tale of pursuit as stark and mesmerizing as the Southwestern landscape in which it is set Unrelenting from first page to last it ranks alongside The Ox Bow Incident True Grit and The Searchers as one of the most unique and artful stories of the West ever told In 1958 it was adapted into the film From Hell to Texas directed by the famed Henry Hathaway and starring Don Murray Diane Varsi Chill Wills and Dennis Hopper

The Overparenting Solution George S. Glass,David Tabatsky,2021-10-29 Features pragmatic reasonable advice for how parents can raise their children effectively and lovingly without overdoing it Today in the world of Covid 19 parents may be more anxious than ever as they aim to make sense of the changing landscape of education We see now that within the context of social distancing which we may be facing for quite some time families are experiencing a mix of positive and negative influences including new stressors which cause division and even danger while at the same time some families are discovering novel ways of remaining blended together Regardless families must find their way forward to overcome bad decisions and embrace these challenging circumstances The generational desire of parents to want their children to have more opportunity and success than they did has become outdated for many families especially those of means but this has not stopped parents from going too far with their children from pushing them into needless high pressure situations to protecting them from any possible failure or disappointment While we know that it is getting harder and harder to get into a select college and after graduation it is often more difficult to find a prestigious job parents are not doing their kids any favors by resorting to any means necessary to ensure what they define as their offspring s success This work shows readers how to parent better not more allowing children to make their own mistakes and learn from them and grow into functioning self reliant adults

The Kid that Needed a Pet Kip N. Willis,2016-12-19 Life for Ronnie Sinclair is not as idyllic as it might be in the quirkily wonderful Oklahoma setting that serves as his home Sure he s got a fantastic family which marvelously expands thanks to his evolving relationships with a bunch of fascinating people He lives in a sprawling ranch house nestled inside fifteen acres of natural wonder with adventures awaiting at every turn And the Arbuckle Wilderness Preserve is in his backyard which is amazing because it positively explodes with opportunities for communion with the animal pals he so adores But there is trouble in Ronnie s life too and it s starting to feel like more than just the garden variety kind of trouble a twelve year old boy might expect to run up against Ronnie is a subject of intense interest for a few neighborhood bullies whose plans for him grow increasingly nefarious as time goes on In short order he finds himself the central figure in a national terror plot that threatens not only him and his family but the country at large At last Ronnie draws strength for facing his ordeals from his faith from his family and from an enormously affectionate pet skunk who recognized his special qualities from the start In the end the lot of them learn a universal lesson about the meaning of love particularly when it s applied to folks you were convinced were your enemies all along
